

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### **Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**SECTION 1. *School-district Bonds.*** [7631.] That for the purpose of erecting or purchasing one or more schoolhouses in and for any school district in the state of Kansas, the board of directors of the same shall have power to issue the bonds of the district in an amount not to exceed one and one-half per cent of its taxable property, as shown in the last assessment thereof;<sup>3</sup> provided, that this limitation shall not apply to bonds heretofore legally voted. And for the purpose of extending the time of payment of the bonded indebtedness of any school district, the board of directors of the same shall have power to issue the bonds of the district in a sum not to exceed in amount its outstanding bonded indebtedness; provided, that no such bonds shall be issued until at an election<sup>4</sup> called for that purpose the question shall have been submitted to the qualified electors of the district, and a majority of all the qualified electors voting on the proposition shall have declared by

3. Bonds issued to pay indebtedness already contracted are illegal. School-district bonds can not be issued except for the purpose of erecting or purchasing one or more schoolhouses. An addition to a schoolhouse is included in the term "erecting or purchasing one or more schoolhouses," and bonds may be voted legally for this purpose.

4. The Australian ballot law does not apply to school-bond elections.

their ballots in favor of issuing of the same; and provided further, that no such election shall be ordered unless a petition, stating the purpose for which the bonds are to be issued, and signed by at least one-third of the qualified electors of said district, shall have been presented to the district board praying that a vote be taken for the issuing of such amount of bonds as may be asked for therein; and provided further, that it shall be unlawful for any school district to create any bonded indebtedness unless there are at least fifteen persons between the ages of five and twenty-one years actually residing within the limits thereof, as shown by a sworn census return, taken by the direction of the board of directors of such school district.<sup>5</sup> (Laws 1909, ch. 62, sec. 4.)

SEC. 2. *Election.* [7632.] Whenever such a petition, so signed, shall be presented to the board of directors of any school district, praying that a vote be taken on the question of issuing the bonds of the said district, it shall be the duty of the district board immediately to order an election for the purpose of determining the question of the issuing of bonds as prayed for, and forthwith to give notice, by posting written or printed notices, signed by the clerk, in five of the most public places in the district, which notices shall be posted up at least ten days<sup>6</sup> before such election, and shall state therein the object for which the election was called and the manner in which the question shall be voted upon.<sup>7</sup> That said election shall be conducted in all respects as are general elections under the laws of the state, except that females of the age of twenty-one years shall be entitled to vote at all such elections, subject

5. *Build Schoolhouse.* School districts having less than fifteen children of school age within their limits are, by the terms of the law providing for the issuance of school-district bonds, prohibited and debarred from raising funds for the building or purchase of schoolhouses by the issuance of school-district bonds. Such school districts can provide funds for the building of schoolhouses by issuing school-district warrants, to the extent and within the limitation of section 7407, General Statutes of 1909 (section 261 of this book), but not otherwise. It is within the power of school districts, under said section, to vote a tax annually, not exceeding four and one-half mills on the taxable property in the district, for school purposes, and to distribute such portion of the amount of such tax as the school meeting shall deem proper for the purpose of building, hiring or purchasing a schoolhouse for the district. Beyond this the district can not go. School warrants for building schoolhouses can not be issued in excess of the amount authorized by law, upon the expectation that in subsequent years the school district will provide funds for the payment of the same by taxation.

6. Ten days should intervene between the date of posting the election notices and the day of the election, *without counting either of the two dates.*

7. The utmost care should be had in complying with the law in every detail; otherwise the bonds may be invalid or their sale affected by their unfavorable history.

only to the exceptions applied to males; and the returns of the election shall be the same, except that they shall be made to the district board. (Laws 1879, ch. 49, sec. 2.)

SEC. 3. *Issuance.* [7633.] The bonds herein provided for shall be issued in denominations of not less than \$100 nor more than \$500 each;<sup>8</sup> they shall bear interest at a rate not to exceed six per cent per annum, payable semiannually on the 1st days of January and July of each year, at such place as shall be designated in the bonds, the principal of the bonds being made payable within fifteen years from their date. These bonds shall specify on their face the date of issue, amount, for what purpose and to whom issued, the time they run, the rate and times of payment of interest, and shall have coupons attached for the interest as it becomes due, said coupons being so arranged that the last one shall fall due at the time of the maturity of the bond. Said bonds and the coupons thereto attached shall be signed by the director and countersigned by the clerk, and after registration by the county clerk shall be negotiable and transferable by delivery, and may be disposed of by the district board at not less than ninety-five cents on the dollar, and the proceeds of the same applied as provided for in the petition at which issuance of the bonds was authorized. (Laws 1879, ch. 49, sec. 3.)

SEC. 4. *Limitations Modified.* [Laws 1911, ch. 257, sec. 1.] The limitations placed by the statutes upon the voting of bonds in cities and school districts for the purpose of erecting school buildings may be modified as in this act provided.

SEC. 5. *Authority of School-fund Commissioners.* [Laws 1911, ch. 257, sec. 2.] The Board of School-fund Commissioners of the state of Kansas is hereby authorized and empowered to make an order authorizing any city or school district to vote bonds for the purpose of erecting school buildings to an amount of not more than fifty per cent in excess of, and in addition to, the amount of bonds that may be voted under laws now in force.

SEC. 6. *Application to Vote Additional Bonds.* [Laws 1911, ch. 257, sec. 3.] The power of the said Board of School-fund Commissioners herein may be invoked by the filing with it of an application by the board of education of a city or by the school-district board of a school district that the permission of the said Board of School-fund Commissioners be given for the voting and issuance of additional bonds as provided in the preceding section. The said application shall be accompanied by a petition to the board of education or the school-district board, signed by not less than one-half of the number of elec-

tors who may be entitled to vote for an issuance of bonds under the laws in force at the time of the taking effect of this act, requesting that an application as hereinbefore provided shall be filed with the said Board of School-fund Commissioners. Notice of the intention to file such application shall be given to the electors by a publication in the official county paper, in form to be prescribed by the said Board of School-fund Commissioners; and the said board shall also prescribe all rules and regulations which may be found necessary to properly carry out the provisions of this act, including rules in relation to the evidence required in support of the application and the method of furnishing such evidence.

SEC. 7. *Hearing of Application.* [Laws 1911, ch. 257, sec. 4.] The said application shall be heard by the Board of School-fund Commissioners upon a day fixed, and the board of education or school-district board be so notified; and which hearing shall be at the county seat of the county whence the application comes; and the said board shall make an order either granting or denying said application; and if the order made shall grant the application and call for an election to vote upon the question of issuing said increased amount of bonds, the election so called shall be held in all respects as is provided by laws in operation at the time of the taking effect of this act, and any bonds so voted and issued pursuant to such election shall be in all respects legal and valid bonds of the city or school district which votes and issues them.

SEC. 8. *Registration.* [7634.] Before delivering any school-district bonds, the board of directors of the district issuing the same shall cause them to be registered with the clerk of the county in which the said district is located. And it shall be the duty of the county clerk, on presentation of any school bonds for registry, to register the same in a book prepared for that purpose, which register shall contain (1) the number of the district; (2) the number of the bond; (3) date of bond; (4) to whom payable; (5) when [where] payable; (6) when due; (7) when interest is due; (8) amount of bond. The county clerk shall furnish one copy of his register to the county treasurer, and forward one copy to the state superintendent, together with a statement showing, (1) the number of sections of land in the district issuing such bonds; (2) the number of acres of land assessed and subject to taxation in said district; (3) the assessed valuation of taxable lands; (4) the assessed valuation of all personal property in such district; which statement shall be signed by each member of the school board issuing the bonds, and the county clerk shall certify under the official seal of his office to the correctness of the statement and the genuineness of the signatures attached thereto. (Laws 1879, ch. 49, sec. 4.)

SEC. 9. *Interest and Sinking-fund.* [7635.] It shall be the duty of the board of county commissioners of each county

to levy, annually, upon all the taxable property in each district in such county, a tax sufficient to pay the interest accruing upon any bonds issued by such district, and to provide a sinking-fund for the final redemption of the bonds, such levy to be made with the annual levy of the county and the taxes collected with the other taxes, and when collected shall be and remain in the hands of the county treasurer, a specific fund for the payment of the interest upon such bonds, and for their final payment at maturity;<sup>9</sup> provided, that moneys in the hands of the county treasurer belonging to the sinking-fund of the several school districts in such county shall be invested by the county treasurer, (1) in the bonds of the district to which said sinking-fund belongs, provided such bonds can be purchased at a price not exceeding their market or par value; (2) in the bonds of other school districts of this state maturing before the bonds for which such fund is raised, provided the same can be purchased at a price not exceeding their market or par value; (3) in the bonds of the state of Kansas, or of the United States. (Laws 1879, ch. 49, sec. 5.)

SEC. 10. *Interest Credited to Sinking-fund.* [Laws 1911, ch. 288, sec. 1.] That whenever any city, township or school district sinking-fund shall amount to \$500 and shall have been in the hands of the county treasurer for the period of one year, it shall be the duty of such treasurer, and he is hereby required, to credit any such sinking-fund with its proportional share of the interest thereafter accruing from the deposit by such treasurer of the public moneys in banks as provided by law, and thereafter such interest shall belong to and be a part of such sinking-fund, and the same shall no longer belong to the county.

SEC. 11. *Penalty for Issuing Illegally.* [7636.] If any school-district officer, whose duty it is under the provisions of this act to issue or assist in any manner in the issuance of the bonds of any school district, shall prepare, sign or deliver, or aid, counsel or assist in preparing, signing or delivering, or shall cause to be prepared, signed, or delivered, any bond or bonds of any school district, at any time before such bond or bonds are authorized by this act to be prepared, signed or delivered, such officer shall be guilty of a felony, and upon conviction shall be fined in a sum of not less than \$500 nor more than \$5000, or by imprisonment in the penitentiary for not less than one year and not longer than five years, or by both such fine and imprisonment. And if the board of directors of any school district, or any member thereof, shall use or dispose of any school district bonds, or the money accruing from the sale of such bonds, in any other manner or for any other purpose than that for which the same was created or

intended, he or they shall be liable to be punished by fine in any sum not less than \$1000, by information or indictment in any court of competent jurisdiction, or by imprisonment in the county jail not more than six months, or by both such fine and imprisonment. (Laws 1879, ch. 49, sec. 6.)

**SEC. 12. *Final Disposition.*** [7637.] On the payment of the bonds or coupons of any school district, the county treasurer shall immediately cancel the same, and indorse thereon the date of payment; and at the time of his settlements with the several school-district treasurers of his county he shall deliver to each the canceled bonds and coupons of his district, and take a receipt therefor, and such canceled bonds and coupons shall be destroyed by the district treasurer in the presence of all the officers of the district, a complete record of their destruction being made by the district clerk. On the last Saturday of July of each year, each and every county treasurer shall make to the clerk of his county a detailed report of all the bonds and coupons canceled during the year, and the date of payment of the same, accompanied by the receipts given by district treasurers therefor; and the county clerk shall immediately thereafter cancel the registry of all such bonds and coupons by indorsing thereon the date of payment of each. (Laws 1879, ch. 49, sec. 7.)

**NOTE.**—All school bonds must first be offered to the School-fund Commission, and the commission has the option to purchase same at not more than par. See section 530 of this book.

**SEC. 13. *Payment before Maturity.*** [7716.] If at any time any board of education, school district, township, county or city of any class shall have accumulated in the treasury sinking-fund sufficient to pay in full any bond or bonds issued by such board of education, school district, township, county or city of any class before the maturity, the state permanent school fund, State Normal School fund, or the University permanent school fund, or Agricultural College endowment fund being the holders thereof, such board of education, school district, township, county or city of any class may pay the same to the state treasurer at the time any interest coupon is due, and take up such bond or bonds, and the state treasurer is hereby authorized to receive the same and cancel such bond or bonds and the unmatured coupons attached thereto, and deliver the same so canceled to the officer paying the amount; provided, that the state treasurer, before delivering said bond or bonds, shall present the same to the auditor of the state, together with a statement showing the amount of coupons upon which no moneys have been received, and upon examining such statement, and comparing with the coupons attached to such bond or bonds, the auditor shall credit the treasurer with the amounts shown to be canceled before maturity. (Laws 1905, ch. 382, sec. 1.)

**SEC. 14. *Payment before Maturity—Additional Provisions.*** [605] Whenever any county, city, township or school district in this state shall owe any outstanding and unmatured bonds, and at the same time shall have in its treasury any sinking-funds raised to pay such bonds, the proper officers of such county, city, township or school district may use such funds to purchase or pay any of such bonds and cancel the same, whenever they can be so purchased or paid at or below par, or at such reasonable price above par as may be requested by a majority of the resident taxpayers of such county, city, township, or school district, and which request may be made by a written petition to that effect, directed to such officers. (Laws 1905, ch. 72, sec. 1.)

**SEC. 15. *Payable at State Treasury.*** [622.] From and after the taking effect of this act all bonds issued by the state, or any county, township, municipality, or school district, and the interest coupons thereon, shall be made payable at the office of the state treasurer, in the city of Topeka, in the state of Kansas. (Laws 1908, ch. 58, sec. 2.)

**SEC. 16. *State Treasurer to Furnish Statement.*** [7705.] At least thirty days before the maturity of any bonds or coupons belonging to the permanent school fund or sinking-fund, it shall be the duty of the state treasurer to furnish a detailed statement to each county or city treasurer, or the treasurer of any board of education, of the amount due from them respectively, describing in such statement the number of the district or the name of the city, the amount of interest due, and the amount of principal due, if any. (Laws 1877, ch. 174, sec. 2.)

**SEC. 17. *Remittance of Funds.*** [7706.] It shall be the duty of each county and city treasurer, and the treasurers of boards of education, to remit to the state treasurer, at least ten days before the maturity of any bonds or coupons, all moneys collected by them for the redemption of such bonds and coupons, and all express charges and postage shall be a proper charge against such city or school district and shall be allowed to such treasurer on settlement. (Laws 1877, ch. 174, sec. 3.)

**SEC. 18. *Cancellation.*** [7707.] On receipt of any funds by the state treasurer, he shall immediately cancel all coupons or bonds for which funds are remitted, and return such coupons or bonds to the office of the treasurer remitting the same. (Laws 1877, ch. 174, sec. 4.)

**SEC. 19. *Penalty.*** [7708.] Any county or city treasurer, or treasurer of any board of education, who shall neglect or refuse to perform the duties required of him by this act, shall be liable to the state in a sum equal to double the amount of such bonds or coupons remaining unpaid by reason of such neglect or refusal, which may be recovered in a suit at law

against such treasurer and his bondsmen; and it is hereby made the duty of the county attorney of the proper county, upon the request of the attorney-general, to prosecute all such suits. (Laws 1877, ch. 174, sec. 5.)

SECTION 68. *County Board of Examiners.* [7485.] In each county there shall be a board of county examiners, composed of the county superintendent, who shall be *ex officio* chairman of the board, and two competent persons, holders of professional certificates or first-grade certificates, or of state certificates, or of diplomas from the state University, the State Normal School, or the State Agricultural College, who shall be appointed by the county commissioners on the nomination of the county superintendent, and shall serve one year from the time of their respective appointments, and each of whom shall receive for his services the sum of three dollars per day for not to exceed twenty-four days in any one year. (Laws 1905, ch. 390, sec. 1.)

SEC. 69. *Public Examinations.* [7486.] The board of county examiners, two of whom shall constitute a quorum, shall, on

instructors; provided, that the amount of credit given shall not be greater than the amount of credit given for an equal time in the regular school year.

d. The texts to be used in all of the subjects embraced in the course are to be those approved by the State Board of Education, or those generally recognized as their equivalent.

e. Permanent records of the work of each student are to be kept, giving a full history of his entrance and course until graduation.

f. Institutions asking approval of their normal courses under the law of 1899 must maintain a course equivalent to the two-year college course at the State Normal School, including twenty weeks' practice teaching, under the head of the pedagogical department. Practice teaching referred to must not include any teaching for which pay is received.

g. The interpretation by the board of the term "practice teaching," as contained in the law (Laws of 1899, chapter 179, section 3), is, that it means actual model-school work as given at the State Normal School, and that it requires the establishment of model schools, connected entirely with the institutions approved.

h. Certificates granted to graduates of normal courses of accredited institutions under the law of 1899 are not renewable. Not less than two years of resident work in an accredited college will be approved by the board, one of which shall be in the college granting the diploma.

i. Common-school texts in college subjects do not meet the standard approved by the board.

the last Saturday of January and of October, and on Saturday of the last week of the county normal institute, together with the Friday preceding each such Saturday, only at such places as may be designated by the chairman (who shall give ten days' notice of each examination), publicly examine all persons proposing to teach in the common schools of the county (cities of the first and second class excepted) as to their competency to teach the branches prescribed by law;<sup>20</sup> said board shall open each separate package of questions not earlier than the hour specified thereon by the state superintendent, and shall give the candidates the questions at the hour specified for the beginning of the examination on that subject; said board of examiners shall issue certificates, as by law provided, to all such applicants as shall pass the required examination and satisfy the board as to their good moral character and ability to teach and govern schools successfully.<sup>21</sup> (Laws 1905, ch. 391, sec. 1.)

SEC. 70. *Examinations in Other Counties and at State Schools.* [7487.] Applicants for any grade of county certificates for any county of the state may write in the examination given in any other county of the state, or, if students at the State University, State Agricultural College, or State Normal School or either of its auxiliaries, at an examination conducted by the presiding officer thereof, on the questions and under the laws and regulations for the county examination; and the county examining board of any county, on receiving the papers, with a properly signed certificate on a blank to be provided by the state superintendent, together with one dollar

20. Section 69 provides that the county board of examiners "shall publicly examine all persons proposing to teach . . . as to their competency to teach the branches prescribed by law." Sections 285 and 85 indicate what branches shall be taught in the public schools.

21. The awarding of a county certificate, or any other act within the jurisdiction of the county board of examiners, must have duly received, in the lawful course of business, the consent of at least two members of the board, in order to be, legally, an *act of the board*. County certificates can be legally granted only *by the board*.

A county certificate can not be lawfully dated back beyond the time when the county board, in the lawful course of business, actually awarded the same.

Although the county board may, by revocation for cause, abridge, they can not lawfully extend the time during which a certificate issued by them shall be in force, nor renew the same without a public examination of the holder thereof, except as provided by law.

A public examination is the only legal basis for the issuance of a certificate. It is the province of the board to determine the standing of the applicant in every study, and to inquire into the "competency" of the candidate to teach and govern a school successfully.

It is proper for the board to refuse a certificate to an applicant passing the necessary examination but not satisfying the board as to his ability to "teach and govern a school successfully."

*Certificate in Case of Joint District.* In the case of a joint district, the certificate must be issued by the board of examiners of the county in which the largest amount of territory is found.

SEC. 71. *Special Examinations.* [7488.] Each county superintendent may, if he deems it necessary, conduct a special examination at the time of the closing of normal institutes in some other state county or counties; provided, that the examination conforms to the laws in all other respects, including the questions prepared for that examination, and it shall be the duty of the state superintendent to furnish these questions, if notified by the county superintendent ten days before the date of the examination that he has accepted fees from two or more candidates for that examination. (Laws 1905, ch. 391, sec. 3.)

SEC. 72. *Fees.* [7489.] Each candidate for the examination under the provisions of section 2 and section 3 of this act shall pay a fee of one dollar for this examination if taken at a state educational institution, or two dollars if taken before a county examining board, one dollar of which shall go into the institute fund of the county in which the examination is written. (Laws 1905, ch. 391, sec. 4.)

SEC. 73. *Uniform System of Examinations.* [7517.] That the State Board of Education is hereby instructed to prepare a series of questions for each examination, to be used in each county of the state of Kansas for the examination of teachers; and the state superintendent is hereby instructed to procure the printing of the same and distributing to the superintendents of the several counties in the state, as hereinafter provided. (Laws 1885, ch. 180, sec. 1.)

SEC. 74. *Questions Shall be Forwarded.* [7518.] The state superintendent shall forward all questions to the superintendents of the several counties in the state of Kansas; provided, that said questions shall be forwarded in time to reach their destination at least two days before required for use; and provided further, that said questions shall not be opened except in the presence of a majority of the examining board on the day and hour of examination.<sup>22</sup> (Laws 1885, ch. 180, sec. 2.)

SEC. 75. *Unlawful Use of Examination Questions.* [7754.] It shall be unlawful for any person to sell or offer for sale, or buy or offer to buy, or to distribute, or have in his or her possession any printed or written examination questions prepared for any examination to be held for the purpose of testing the qualifications of persons desiring to be admitted to the practice of any of the professions in this state in which it is required that such persons be examined as to their qualifications, or any printed or written examination questions prepared for teachers' examinations for any of the schools of this state, or of any printed or written examination questions

(Laws 1909, ch. 208, sec. 2.)

SEC. 77. *Examiners Exempt.* [7756.] The provisions of this act shall not be construed to prevent the proper officials or instructors whose duty it is to conduct the said examination, referred to in section 1 of this act, from having in their possession printed or written copies of such examination questions. (Laws 1907, ch. 208, sec. 1.)

SEC. 78. *Grades of Certificates.* [Laws 1911, ch. 277, sec. 1.] That section 1 and section 2 of chapter 341 of the Session Laws of 1907, and section 5 and section 6 of chapter 424 of the Session Laws of 1903 be and are hereby amended so as to read as follows: Certificates issued by county boards of examiners shall be of three grades, namely, third grade, second grade and first grade, and shall continue in force in the order named for the respective periods of one year, two years and three years.

23. This experience need not have been had in Kansas, nor in the public schools, but must be shown to the satisfaction of the board of examiners.

24. *Carrying Grades.* The law does not authorize the carrying of grades from one examination to another, except as provided for first-grade certificates in this section, nor the granting of any privileges pertaining to the examination as a reward for attending normal institutes.

25. A first-grade certificate may be indorsed in another county and thereafter may be renewed in that county.

**SECTION 192.** *Temporary Consolidation of Districts by County Superintendent.* [7428.] The county superintendent of public instruction may, when any two or more adjoining school districts have less than five pupils each of school age, combine the pupils of such districts, and provide for a term of school, which shall be divided among the districts so combined as he shall deem most convenient, and to which the pupils of each shall be admitted; he shall prorate the expense between the districts in proportion to the number of pupils from each, and shall certify same to the county clerk on or before the 1st day of August of each year, and the board of county commissioners shall levy a tax against the property of said district sufficient to raise the amount shown by the said certificate; provided, that whenever the school population of such districts so combined or of any school district shall become less than five no term of school shall be held, but provision shall be made by the county superintendent for sending pupils to other schools, as now provided by law in the case of districts which vote to have no school, and in no case shall more than one school be held at the same time in any school district, consolidated or otherwise, unless there be a regular attendance of at least five *bona fide* pupils for each of the additional schools in said district. All contracts with teachers shall be made subject to the provisions of this act. (Laws 1901, ch. 307, sec. 11.)

**SEC. 193.** *Procedure in Consolidation.* [Laws 1911, ch. 275, sec. 1.] By order of the district board, or by a written petition of twenty-five per cent of the voters of any school district, the clerk of said school district shall post printed notices as required for school-district meetings, calling a school-district meeting at the schoolhouse of said district for the purpose of voting upon a proposition to consolidate said school district with one or more school districts as stated in said notices. The vote in any district may be made conditional on a similar proposition carrying in part or all of the districts voting. In any school district voting on the proposition a majority of the votes cast shall be sufficient to carry the proposition in said district. The vote at such school-district meeting shall be by ballot, which shall read "For consolidation" or "Against consolidation." Upon such proposition being carried, the clerk of said school district shall thereupon, in writing, notify the

county superintendent of such action. Upon receiving such notice, it shall be the duty of the county superintendent to designate a time and place for a meeting for the purpose of electing a school board, consisting of a director, clerk and treasurer, notice of which meeting shall be given by printed notices posted in five public places in the district uniting. As soon as such officers are elected and have taken the oath of office, the county superintendent shall declare the old districts disorganized; provided, that said school board is authorized to maintain separately till the end of the term any schools that may be in session at the time of consolidation.

SEC. 194. *Consolidation with a District Containing a Graded School.* [Laws 1911, ch. 275, sec. 2.] Any school district may be annexed to a school district containing a graded school upon a proposition for such annexation receiving a majority of votes cast at an election called for that purpose as provided for in section 1 of this act, and upon said proposition receiving the approval of the district board of the school district containing said graded school. Upon the county superintendent receiving notification that such proposition has been carried at said election and approved by the school board of the school district containing the graded school, the county superintendent shall annex said district. Such annexation shall take place in accordance with section 7435 of the General Statutes of 1909, and after such district is formed it shall be governed by the provisions governing consolidated districts. A graded school for the purpose of this act shall be one in which two or more teachers are employed.

SEC. 195. *Transportation of Pupils.* [Laws 1911, ch. 275, sec. 3.] The district board of consolidated school districts shall provide for the comfortable transportation of the pupils of said districts living two or more miles from the school by the usually traveled road in a safe and enclosed conveyance or conveyances, and shall establish such rules and regulations as may be necessary for carrying out the provisions of this section.

SEC. 196. *Powers of District Meetings and of District Board.* [Laws 1911, ch. 275, sec. 4.] The annual or special meetings of consolidated school districts shall have such general powers and duties as are provided by law for school-district meetings.<sup>58</sup> The duties and powers of the district board of consolidated districts shall include those provided by law for district boards.

SEC. 197. *County Superintendent to be Notified.* [7433.] Upon the organization of such union school districts, as hereinbefore provided, the clerk of the board thereof shall notify the county superintendent in writing that such action has been taken. (Laws 1901, ch. 305, sec. 3.)

58. See chapter X of this book.

SEC. 198. *Record of Boundary.* [7434.] The boundary of the union district, when formed, shall include the territory of the districts so uniting, and the county superintendent shall, upon proper notice thereof, at once make a record of such boundary; provided, that by vote of the electors of any district uniting to form a union district part of the district may unite with one union district and part with another adjacent union district. (Laws 1901, ch. 305, sec. 4.)

SEC. 199. *Property of Districts.* [7435.] Upon the organization of such union school district, all school property, except as hereinbefore provided, heretofore owned by the several districts so uniting, shall at once become the property of such union school district, and the board of directors of the said union school district are hereby authorized to dispose of any or all such property as the best interests of such district may require. (Laws 1901, ch. 305, sec. 5.)

SEC. 200. *Name.* [7437.] Such union school district, when formed, shall be known as union school district No. —, county of ———, state of Kansas, and be a body corporate, with power to sue and be sued. (Laws 1901, ch. 305, sec. 7.)

SEC. 201. *Duties and Powers of District Board.*<sup>59</sup> [7438.] The duties and powers of the board of directors heretofore mentioned shall be the same as those provided by law for school-district boards. (Laws 1901, ch. 305, sec. 8.)

Qualifications.** [7379.] That a person to be eligible to the office of county superintendent of public instruction must hold a professional certificate, first-grade certificate, or a state certificate, or be a graduate of an accredited college or normal school, and must have taught at least eighteen months; provided, that this act shall not apply to any person now holding the office of county superintendent or to any person who is now a county superintendent elect. (Laws 1907, ch. 167, sec. 1.)

**SEC. 211. Term of Office.** [7377.] The term of office of the county superintendent of public instruction shall begin on the second Monday of May of each odd year, beginning with the year A. D. 1901. (Laws 1899, ch. 244, sec. 1.)

**SEC. 212. Oath and Bond.** [7380.] The county superintendent of public instruction shall, before he enters upon the duties of his office, take and subscribe an oath or affirmation to support the constitution of the United States and of the state of Kansas, to faithfully discharge the duties of said office, and execute to the state of Kansas a bond in the sum of \$1000, conditioned to the faithful performance of his official duties; which bond, after having been approved by the board of county commissioners, together with his official oath, shall be filed in the office of the county clerk. (Laws 1881, ch. 152, sec. 1.)

**SEC. 213. General Duties.** [7381.] It shall be the duty of

the county superintendent of public instruction to visit each school in his county at least once each term of six months,<sup>61</sup> correcting any deficiency that may exist in the government of the school,<sup>62</sup> the classification of the pupils, or the methods of instruction in the several branches taught; to make such suggestions in private to the teachers as he shall deem proper and necessary to the welfare of the school; to note the character and condition of the schoolhouse, furniture, apparatus, and grounds, and make a report in writing to the district board, making such suggestions as in his opinion shall improve the same; to examine the accounts and record-books of the district officers, and see that they are kept as required by law; to encourage the formation of associations of teachers and educators for mutual improvement, and, as far as possible, to attend the meetings of such associations, and participate in the exercises of the same; to attend the normal held in his county, using his influence to secure the attendance of teachers; to make daily a personal inspection of the work of the institute in session, and keep a record of the same in his office, and do such work in connection with the exercises of the institute as he may deem necessary;<sup>63</sup> to hold a public meeting in each school district of his county at least once every year, for the purpose of discussing school questions and elevating the standard of education; to keep his office open at the county seat, Saturday of each week, and in counties in which the superintendent receives a salary of more than \$600 per annum, he shall keep his office open when not necessarily absent attending to his official duties.<sup>64</sup> He shall keep a complete record of his official acts; a record of the name, age and post-office address of each candidate for a teacher's certificate, with the number of weeks said candidate has attended a normal school or institute, the number of weeks he has taught, his standing in each study, and the date of issue and expiration of each certificate granted. He shall keep a record of the semi-

61. "At least once each term of six months" is held to mean at least once each school year.

62. The power to correct deficiencies in government, classification and methods of instruction implies a direct responsibility of the teacher to the superintendent. The language of the law is clearly intended to establish this relation somewhat as it exists in city schools. Failure to pay reasonable attention to the suggestions of the county superintendent in these matters is held to be sufficient ground for withholding the teacher's certificate.

63. The county superintendent can not receive compensation for work in connection with the normal institute.

64. The provisions of this section require the entire time of every county superintendent receiving a salary of over \$750.

annual apportionments of the state and county school funds, and such other statistical records as shall be required in making reports to the state superintendent of public instruction. He shall make out and transmit to the state superintendent, on the last Monday of March, June, September and December of each year, a report, showing the number of school visits made, with the average length of time spent in such visits; the number of consultations held with school officers; the number of days his office has been kept open; the number of district treasurers' and clerks' record-books examined; the number of teachers' meetings attended; the number of public lectures delivered; and such other information as the state superintendent may require regarding the duties of such county superintendent; and until such report shall have been forwarded to the state superintendent, and a copy thereof filed with the county clerk for publication, and that fact certified by the said county superintendent to the board of county commissioners, the warrant for his salary shall not be drawn. The county superintendent shall obtain from the county clerk, at least ten days before the time for holding the annual school meeting each year, a certified statement of the total assessed valuation of the property in each school district in his county, and immediately certify the same to the several school-district clerks of his county, for the information of the annual school meeting; and it is hereby made the duty of said county clerk to make out said certified statement, and deliver the same to the county superintendent. (Laws 1881, ch. 152, sec. 2.)

SEC. 214. *Apportionment of School Funds.* [7382.] Within five days after receiving the certificate of the state superintendent of public instruction, informing him of the amount of state school fund which has been apportioned to his county, the county superintendent shall apportion the same, together with the unapportioned county school fund in the county treasury, among the school districts and parts of districts in such county, in the ratio of the number of persons of school age residing in each district or part of district, as shown by the last annual reports of the several clerks of such districts and parts of districts;<sup>65</sup> provided, that no district in which a common school has not been taught at least three months the last preceding school year shall be entitled to receive any portion of either of said funds;<sup>66</sup> and he shall draw his order

65. A district that refuses or neglects to have the census taken according to law forfeits its right to a share of the annual school fund.

66. Seven months the minimum term by Laws 1911, ch. 268, sec. 1 (section 264 of this book). A district must not only have had a common school taught at least three months during the school year ending June 30, but must also have made through its district clerk the requisite annual report for the school year in time to be included in the annual report of the county superintendent, or the county

on the county treasurer in favor of each of the several school-district treasurers for the amount apportioned to such district. (Laws 1881, ch. 152, sec. 3.)

SEC. 215. *School-district Boundaries.* [7383.] The county superintendent is hereby required to furnish the county clerk with a description of the boundary of each school district, on or before the last Monday in May of each year. (Laws 1887, ch. 219, sec. 1.)

SEC. 216. *Shall Furnish Map.* The county superintendent of public instruction of the several counties of the state shall, on or before March 1 of each year, furnish to each assessor within his county a map of the city or township of such assessor, showing the number and metes and bounds of every school district or part of school district within his township or city. (Laws 1885, ch. 198, sec. 3.)

SEC. 217. *Boundary Lines Reestablished.* [Laws 1911, ch. 274, sec. 1.] That in all counties in the state of Kansas where the records of the boundary lines of school districts heretofore established in the state have been lost or destroyed, it shall be the duty of the superintendent of public instruction of said county to reestablish said lines as nearly as possible upon the lines theretofore established, and for this purpose he may examine such witnesses as to him or the parties in interest shall seem proper and sufficient to give him such information as is necessary to carry out the provisions of this act.

SEC. 218. *Boundary Lines Reestablished in Case of Error.* [Laws 1911, ch. 274, sec. 2.] That in any county where the records of the boundary lines of school districts heretofore established have been lost or destroyed, and an attempt has been made to reestablish said lines, where it becomes evident to

superintendent can not legally apportion to the district a share of the next ensuing February and August dividends of the state and county school funds. In apportioning these funds, the county superintendent must be governed not only by the proviso regarding the length of school term, but also by the *number* of children of school age residing in the several districts of the county, "*as the same shall appear from the last annual reports of the clerks of the respective districts.*" For purposes of apportionment, it is only from the annual report of a clerk of a district that a county superintendent can *legally* know the number of children of school age residing in the district.

In the case of the organization of a school district out of a part of the territory of another which is entitled to a portion of the state and county school funds, the newly formed district should be apportioned its just share of the funds to which the original district would have been entitled. If the division of the district was made before the time of making the annual report, the report of the new district should show the number of children resident of the territory detached from the old district, so that this apportionment may be made upon official returns. If the new district was organized after the time of making the annual report, the officers of the former district should be directed to pay to the treasurer of the new district that portion of the funds to which the children residing upon the detached territory entitle said district.

the county superintendent that the attempted reestablishment has been wrong and that a mistake has been made in the reestablishment, the said superintendent shall have the same right to reestablish said lines as conferred in section 1 herein, notwithstanding the attempted reestablishment heretofore made.

SEC. 219. *Annual Report.* [7384.] He shall, on or before the 15th of October of each year, make out and transmit in writing to the state superintendent of public instruction a report bearing date October 1, containing a statement of the number of school districts<sup>67</sup> or parts of districts in the county, and the number of children and their sex, resident in each over the age of five and under the age of twenty-one years;<sup>68</sup> a statement of the number of district schools in the county, the length of time a school has been taught in each, the number of scholars attending the same, their sex, the branches taught and the text-books used, the number of teachers employed in the same, and their sex; a statement of the number of private or select schools in the county, so far as the same can be ascertained, and the number of teachers employed in the same, their sex, and the branches taught; a statement of the number of graded schools in the county, the length of time school has been taught in each, and the number of scholars attending the same, their sex, and the branches taught, the number of teachers employed in the same, and their sex; a statement of the condition of the normal school, where such school has been established, the number of students attending the same, their sex, and the number of teachers employed in the same, and their sex; a statement of the county normal institute; a statement of the number of academies and colleges in the county, and the number of students attending the same, and their sex, the number of teachers employed in each, and their sex; a statement of the amount of public money received in each district or parts of districts, and what portion of the same, if any, has been appropriated to the support of graded schools; a statement of the amount of money raised in each district by tax and paid for teachers' wages in addition to the public money paid therefor; the amount of money raised by tax or otherwise for the purpose of purchasing school site, for building, hiring, purchasing, repairing, furnishing or insuring such schoolhouse, or for any

67. Joint districts are reported by the superintendent under whose supervision the districts exist.

68. The annual reports of county superintendents constitute the basis upon which the state superintendent disburses the semiannual dividends to the several counties. In counties having a school population<sup>70</sup> of less than 500, the county superintendent shall receive for each day actually employed in the discharge of his duties in his office the sum of three dollars per day for a number of days not to exceed 180 in any one year. In counties having a school population of from 500 to 1000, he shall receive the sum of three dollars per day for a number of days not to exceed 200 in any one year. In counties having a school population of 1000 to 1500 he shall receive the sum of seven hundred and fifty dollars per annum; in counties containing more than 1500 persons of school age, exclusive of those in cities of the first and second class, he shall receive eight hundred dollars and twenty dollars per annum for each 100 persons of school age in excess of said 1500 up to the sum of one thousand two hundred dollars; provided, that in each county, the county commissioners shall add to the salary hereinbefore provided the sum of one dollar per annum for each teacher employed in the county, exclusive of those employed in cities of the first and second class; provided that in counties of 50,000 to 60,000 the salary of the county superintendent shall be eighteen hundred dollars, and in counties of from 60,000 to 90,000 or more population the salary of the county superintendent shall be one thousand eight hundred dollars per annum; provided further, that if the county superintendent shall fail to spend at least two hours in each school-room each school year, so as to observe for at least two hours, the work of each teacher under his supervision, the county commissioners may deduct from the last quarterly installment the sum of five dollars for each delinquency. The county commissioners may allow county superintendents having under their jurisdiction more than 125 and not more than 200 teachers the sum of three hundred sixty dollars per annum for clerk hire, and for more than 200 teachers, the sum of four hundred dollars per annum for clerk hire. All money paid out of the county treasury for this purpose shall be out of the general fund of the county. That the county superintendent of the several counties in the state of Kansas, shall receive the sum of one (\$1.00) dollar per school per annum, as traveling expenses in visiting said schools; provided, in no case shall any county superintendent receive traveling expenses for schools not visited.

SEC. 222. *Vacancy in Board.* [7387.] Should a vacancy occur in the board of directors of any school district, it shall be the duty of the county superintendent to appoint some suitable person, a resident of the district, to fill the same, and the person so appointed shall continue in office until the next annual meeting thereafter, and until his successor is elected and qualified. (Laws 1881, ch. 152, sec. 7.)

SEC. 223. *Vacancy in Office of County Superintendent.* [Laws 1911, ch. 278, sec. 1.] That section 7388 of the General Statutes of Kansas, 1909, is hereby amended to read as follows: Sec. 7388. When a vacancy occurs in the office of county superintendent of public instruction by death, resignation or otherwise, notice thereof shall be given by the county clerk to the board of county commissioners, who shall as soon as practicable appoint some suitable person to fill the vacancy; provided, that if the board of county commissioners are unable to make such appointment from the residents of the county, the county clerk shall notify the state superintendent of public instruction, who shall appoint some legally qualified person who is a resident of Kansas to fill the said vacancy, regardless of the place of residence of such person; and the person receiving such appointment shall before entering upon the discharge of the duties of the office acquire a residence in said county by removing thereto, and shall file his oath or affirmation and bond in the county clerk's office as provided by law, and shall hold his office until his successor is elected and qualified.

SEC. 224. *Clerks' Reports.* [7389.] He shall see that the annual reports of the clerks of the several school districts and parts of districts in his county are made correctly and in due time. (Laws 1881, ch. 152, sec. 9.)

SEC. 225. *Oaths.* [7390.] County superintendents shall have power to administer oaths in all cases in which an oath is made necessary by any provision of the school law, except in the qualifying of county superintendents and their sureties. (Laws 1881, ch. 152, sec. 10.)

SEC. 226. *Purchase of Records.* [7391.] The county superintendent of public instruction of the respective counties in this state may purchase, for each organized school district in

his county not having sufficient records, one set of school-district records, consisting of district clerk's records and order-books, district treasurer's book, and a teacher's daily register. Each of said books shall contain such printed forms and instructions as will enable the teacher and the school-district officers to perform with correctness and accuracy their several duties as required by law; provided, the entire set of said records as above enumerated shall not exceed in cost four dollars for each set; and the said superintendent shall draw his order or warrant on the county treasurer in favor of the person he purchases said books of, for the amount of the purchase-money, and it is hereby made the duty of said county treasurer to pay said warrant or order out of any money in his hands belonging to the respective districts in his county; provided, that no funds in the hands of the county treasurer belonging to the several school districts in his county shall be diverted from the object for which said fund was raised; and the said superintendent shall deliver the said books to the district board of each district. (Laws 1881, ch. 152, sec. 11.)

SEC. 227. *Forming and Changing Districts.*<sup>71</sup> [7392.] It shall be the duty of the county superintendent of public instruction to divide the county into a convenient number of school districts, and to change such districts when the interests of the inhabitants thereof require it,<sup>72</sup> but only after twenty days' notice thereof, by written notices posted in at least five public places in the district to be changed; but no new school district shall be formed containing less than fifteen persons of school age, no district shall be so changed as to reduce its school population to less than fifteen, and none having a bonded indebtedness shall be so reduced in territory that such indebtedness shall exceed five per cent of their assessed property valuation;<sup>73</sup> provided, that any person interested may appeal to the board of county commissioners from the action of the county superintendent; and provided further, that the restrictions as to school population and assessed valuations of this section shall not prevent desirable changes in school-district boundaries when the

---

71. The fact that the district boundary has been changed by legislative act or a district disorganized by legislative act in no respect modifies the power of the county superintendent as conferred by this section.

72. It is very desirable that the people concerned should be consulted, and the arguments on both sides carefully considered, before making important changes. After a district has issued bonds to build or purchase a schoolhouse, alterations should be discouraged until the bonds are paid, except in cases where imperative necessity demands a change. The object should be to establish strong and permanent districts.

73. See section 270 for the valuation required in the formation of new districts and the alteration of district boundaries. The territory comprising a school district at any particular time is the territory at that time liable for the bonds of such district.

proposed alteration of boundaries is approved by the board of county commissioners. The county superintendent shall number school districts when they are formed; and he shall keep in a book for that purpose a description of the boundaries of each school district and part of district in his county, with plat of the same, date of organization, date and full record of all changes of boundaries, and a list of district officers in his county, the date of election or appointment, and the time the term of each is to expire. (Laws 1907, ch. 329, sec. 1.)

SEC. 228. *School Districts Within an Indian Reservation.* [Laws 1913, ch. 282, sec. 1.] That the county superintendent of any county in which there is an Indian reservation may, under the procedure prescribed by law for the organization of other school districts, erect any number of school districts lying wholly or partly within such Indian reservation, and the ordinary limitations of assessed valuation of property within such district shall not prevent the organization of any such district; provided, that any such district which it is proposed to organize has an aggregate of sixty thousand dollars' worth of real and personal property, subject to taxation.

SEC. 229. *Aggrieved Persons.* [7401.] If in the formation or alteration of, or refusal to form or alter school districts, any person or persons shall feel aggrieved, such person or persons may appeal to the board of county commissioners, who shall confer with the county superintendent, and their action shall be final; provided, that notice of such appeal<sup>74</sup> shall be served on the county superintendent within ten days of the time of posting of the notices of the formation or alteration of such district; such notice shall be in writing, and shall state fully the objections to the action of the county superintendent, a copy of which shall be filed with the county clerk, and also with the clerks of all districts affected by such alteration; and provided also, that such appeal shall be heard and decided by the majority of the board of county commissioners at their next regular meeting; and if such appeal is not sustained by them, the county superintendent shall proceed to appoint the time and place for said first district meeting, which shall then proceed as by law required. (Laws 1876, ch. 122, art. 3, sec. 5.)

SEC. 230. *Notice of First Meeting.* [7393.] Whenever a school district shall be formed in any county, the county superintendent of public instruction of such county shall, within fifteen days thereafter, prepare a notice of the formation of such district, describing its boundaries, and stating the number thereof. He shall cause the notices thus prepared to be posted in at least five public places in the district, and, in

case there shall be no appeal, shall in ten days thereafter in like manner appoint a time and place for a special district meeting, for the election of officers and the transaction of such business as is prescribed by law for special school-district meeting. (Laws 1881, ch. 152, sec. 13.)

SEC. 231. *Division of Property.* [7400.] When a new district is formed, in whole or in part, from one or more districts possessing a schoolhouse or entitled to other property, such new district shall be formed only between April 1 and September 1 of the same year, and the county superintendent shall determine the value of the school property of the school district, including taxes due, and deducting all indebtedness except bonded indebtedness. There shall be due to the new district<sup>75</sup> from the old district the proportion of the value of

FIRST RULE.

*To be applied in dividing school property which has been procured with the proceeds of district taxes:* (1) Find the *assessed valuation* of the taxable property of the undivided district, as returned on the last assessment roll of the county. (2) Find, in like manner, the *assessed valuation* of the taxable property of the territory which is to be cut off, and which does not retain the school property. (3) Find the *present value* of the school property of the undivided district, including moneys raised from district taxes and remaining in the treasury at the time the division is made, after discharging all indebtedness except bonded indebtedness. (4) Multiply the *present value* of the school property by the assessed valuation of the territory which is to be cut off. That product, divided by the assessed valuation of the undivided district, gives the amount due to the territory which is to be cut off.

SECOND RULE.

*To be applied in dividing such school property as consists of moneys received by the undivided district from the state and county school funds:* (1) Find the number of children of school age residing in the undivided district, as given in the last annual report of the clerk of the district. (2) Find, in like manner, the number of children of school age residing in the territory which is to be cut off, and which does not retain the school property. (3) Find the amount of state and county school money remaining in the treasury of the undivided district at the time the division is made, after discharging all indebtedness except bonded indebtedness. (4) Multiply the residue of state and county school moneys by the number of children residing in the territory which is to be cut off. That product, divided by the number of children of school age residing in the undivided district, gives the amount of state and county school moneys due to the territory which is to be cut off.

The same principle of division of property is to be followed in case the new district is formed from parts of two or more districts.

The county superintendent of public instruction should make the division of school property *at the time* of forming a new school district, but his failure to do so at the time does not impair the rights of said district.

the school property that the assessed valuation of property of the new district bears to the assessed valuation of the property of the old district. The county superintendent shall certify to

<sup>75</sup>. For the division of school property under the provisions of this section, the following rules are recommended, viz.:

the county clerk the proper tax levy against the taxable property of the old district to pay the amount due the new district. (Laws 1909, ch. 207, sec. 1.)

SEC. 232. *Depopulated District.* [7414.] That when a school district having a floating indebtedness, consisting of outstanding school orders, is now or shall hereafter become depopulated, it shall be the duty of the county commissioners, on information furnished by the county superintendent, to provide for the payment of such outstanding indebtedness by making a levy of taxes therefor upon the property of such depopulated district, which shall be extended by the county clerk on the tax-roll the same as other taxes; provided, that no levy shall exceed twenty mills<sup>76</sup> on the dollar in any one year. (Laws of 1893, ch. 135, sec. 1.)

SEC. 233. *County Treasurer Shall Pay.* [7415.] That the county treasurer shall pay all school orders mentioned in the preceding section out of any funds standing to the credit of the school district on which said school orders are drawn; provided, that the county superintendent's order for the payment of the same shall be attached to such school order. (Laws 1893, ch. 135, sec. 2.)

SEC. 234. *County Superintendent May Disorganize.* [7416.] That the county superintendent may, in his discretion, after all indebtedness<sup>77</sup> has been fully paid and canceled, declare such depopulated school district disorganized, and attach the territory belonging thereto to adjoining school districts. (Laws 1893, ch. 135, sec. 3.)

SEC. 235. *When Depopulated.* [7417.] The term "depopulated school district" as used in this act shall be held to mean a school district having fewer than five legal voters therein and fewer than seven persons between the ages of five and twenty-one years; such fact to be determined by the county superintendent. It shall be the duty of the county superintendent, upon the filing of a written request by the holder of an outstanding school order, to make an investigation of the school district issuing such order, and report to the board of county commissioners the facts as to the population as aforesaid; and such report shall be conclusive on that question. (Laws 1907, ch. 322, sec. 1.)

SEC. 236. *Superintendent May Disorganize Partially Depopulated Districts.* [7418.] That the superintendent of public instruction in any county is hereby empowered to disorganize partially depopulated school districts in his county; or in counties where joint school districts exist, the superintendent having jurisdiction over the major portion of said school dis-

tricts shall have full power to act, and the officers in said county shall have full control to levy tax, and certify the same to the proper officers out of said county having taxable property in said joint school district, who shall place the same on the tax-rolls of their respective counties, and collect the same as other school tax levied in their respective counties, and when collected they shall pay the same to the proper officers of said county in which said major portion is located, taking a receipt therefor, and the county treasurer and county superintendent shall proceed to disburse said funds so collected the same as in section 778 of this act. (Laws 1901, ch. 307, sec. 1.)

SEC. 237. *Partially Depopulated District; Definition.* [7419.] For the purposes of this act, a school district shall be deemed partially depopulated when the number of persons resident thereof over the age of five years and under the age of twenty-one years shall be less than twelve. (Laws 1907, ch. 323, sec. 1.)

SEC. 238. *Petition.* [7420.] That such action shall not be taken by the county superintendent of any such county unless there shall be presented to him a petition signed by two-thirds of the *bona fide* residents of such school district having the qualifications of school-district electors, and who have resided continuously for one year in said school district, requesting such disorganization; provided, that such disorganization shall not be final until approved by the board of county commissioners of the county in which the disorganized school district is situated; and provided further, that in any such school districts where the whole number of district electors shall be less than six, and the number of residents of such district over the age of five years and under the age of twenty-one years shall be less than five, the county superintendent shall act without petition, when so directed by the board of county commissioners of such county. (Laws 1901, ch. 307, sec. 3.)

SEC. 239. *County Superintendent May Attach.* [7421.] The county superintendent may attach the territory of any school district disorganized under the provisions of this act to any adjacent school district or school districts, but such attachment shall not become effective until approved by the board of county commissioners. (Laws 1901, ch. 307, sec. 4.)

NOTE.—See section 33 of this book for disposition of bonded indebtedness of disorganized school districts.

SEC. 240. *Floating Indebtedness.* [7423.] That if any school district so disorganized shall at the time of its disorganization have a floating indebtedness consisting of outstanding school orders, it shall be the duty of the county commissioners of the county, on information furnished by the county superintendent, to provide for the payment of such outstanding in-

debtedness by making a levy of taxes therefor upon all the real and personal property in the territory of the disorganized school district, which tax shall be entered by the clerk of the county on the tax-roll the same as other taxes; provided, that no such levy shall exceed ten mills<sup>79</sup> on the dollar of the assessed valuation in any one year. (Laws 1901, ch. 307, sec. 6.)

SEC. 241. *Orders Paid by County Treasurer.* [7424.] That the county treasurer shall pay all school orders mentioned in the preceding section out of any fund collected from the school taxes created by the special levy provided for in section 6 of this act;<sup>80</sup> provided, that no such school order shall be paid unless accompanied by an order from the county superintendent directing its payment. (Laws 1901, ch. 307, sec. 7.)

SEC. 242. *Disposition of Funds.* [7425.] If at the time of the disorganization of any school district as herein provided for such district shall have in the hands of its treasurer or of the county treasurer of the county moneys belonging to it, or any unpaid taxes levied for the payment of its indebtedness, bonded or floating, such money shall be first applied to its indebtedness, floating or bonded; and if any money remain thereafter, then such money shall be distributed among the school districts to which such territory shall be attached, in such manner and amount as shall be directed by the county superintendent, who shall include in the order for the disorganization of such district an order for the distribution of its moneys as herein provided. (Laws 1901, ch. 307, sec. 8.)

SEC. 243. *Disposition of Property.* [7426.] The buildings and other property which may belong to any school district which may be hereafter disorganized shall be sold by the county superintendent to the highest bidder for cash in hand, after having given thirty days' public notice thereof by publication in a newspaper published in said county and by posting not less than five written or printed notices in conspicuous places in said district. The proceeds of said sale shall be deposited with the county treasurer of said county and shall be applied to the payment of debts of said school district, giving the preference to floating debts, if there be any. If there be no debts, or if there be any proceeds left after the payment of debts, said proceeds shall be turned into the county school fund for the use and benefit of the school district to which said disorganized territory is attached; provided, that the school district to which said territory is attached may bid for and purchase said property and pay for same out of general fund. (Laws 1901, ch. 307, sec. 9.)

SEC. 244. *Territory Not Liable.* [7427.] The territory of

SEC. 245. *Annexation of School Districts.* [7440.] Whenever any school district within this state shall fail or neglect to maintain a school for at least three months in one year, for a consecutive term of three years, such school district shall be annexed to adjoining districts; provided, that this act shall not apply to districts that have made proper levies for the tuition and transportation of its pupils to other schools. (Laws 1909, ch. 206, sec. 1.)

SEC. 246. *Division of Districts Annexed.* [7441.] For the purpose of carrying out this act it shall be the duty of the county superintendent to divide such districts in such a manner as to equalize as nearly as practicable the territory in area and taxable property. (Laws 1909, ch. 206, sec. 2.)

SEC. 247. *Other Duties; Deputy.* [7394.] He shall discharge such other duties as may be prescribed by law, and in case of sickness or temporary absence he may employ a deputy. He shall deliver to his successor, within ten days after the expiration of his term of office, all books and papers appertaining to his office. (Laws 1881, ch. 152, sec. 14.)

SEC. 248. *Neglect or Refusal to Perform Duty.* [7395.] Every county superintendent who shall neglect or refuse to perform any act which it is his duty to perform, or shall corruptly or oppressively perform any such duty, he shall forfeit his office, and shall be liable on his official bond for all damages occasioned thereby, to be recovered in the name of the state for the benefit of the proper party, district, or county. (Laws 1881, ch. 152, sec. 15.)

SEC. 249. *Agent of State Orphans' Home.*<sup>81</sup> [8526.] The superintendents of public instruction in the several counties of the state are hereby designated as the agents of the Soldiers'<sup>82</sup> Orphans' Home in their respective counties. It shall be the duty of said agents to visit the children who are placed in homes in their respective counties twice each year, and at such other times as the superintendent of the home may request; and they shall make written reports of the condition of each child visited, upon blanks to be provided by the board of trustees for that purpose, and forward the same to the superintendent of the home, who shall record and file the same in a proper manner. Said agents shall receive, as full compensation for the services performed under the provisions of this act,

SECTION 252. *When Organized.* [7396.] Every school district shall be deemed duly organized when the officers constituting the district board shall have been elected and qualified, and shall have signified their acceptance to the county superintendent in writing, which the superintendent shall file in his office.<sup>88</sup> (Laws 1876, ch. 122, art. 3, sec. 1.)

SEC. 253. *Body Corporate.* [7397.] Every school district organized in pursuance of this act shall be a body corporate, and shall possess the usual powers of a corporation for public purposes, by the name and style of school district No. — (such a number as may be designated by the county superintendent), — county (the name of the county in which the district is situated), state of Kansas, and in that name may sue and be sued, and be capable of contracting and being contracted with, and holding such real and personal estate as it may come into possession of by will or otherwise, or as is authorized to be purchased by the provisions of this act. (Laws 1876, ch. 122, art. 3, sec. 2.)

SEC. 254. *Joint Districts.* [7398.] When it shall become necessary to form a school district lying partly in two or more counties, the county superintendents of the counties in which the said tract of country shall be situated, when application shall be made in writing to any one of them by five house-

holders resident therein, shall, if by them deemed necessary, meet and proceed to lay off and form the same into a school district, issue notices for the first district meeting, and shall file the proper papers in their respective offices; and such district so organized shall be designated joint district No. —, counties of —; and the boundaries of such district shall not be altered except by the joint action of the superintendents of the several counties represented in said district;<sup>84</sup> provided, that if in the alteration of or refusal to alter the boundaries of any joint school district, any person or persons shall feel aggrieved, such person or persons may appeal to the state superintendent of public instruction,<sup>84</sup> and notice of such appeal shall be served on the superintendents of the several counties represented in said district within ten days after the rendition by them of the decision appealed from, which notice shall be in writing, and shall state fully the objections to the action of the county superintendent, and a copy thereof shall be filed with the state superintendent of public instruction; and it shall be the duty of the county superintendent in whose possession are the papers connected with the action appealed from to transmit the same to the state superintendent of public instruction, immediately upon being served with notice of appeal, as hereinbefore presented; and thereupon the state superintendent of public instruction shall fix a time for the hearing of said appeal, and notify the several county superintendents interested, and the appellants, thereof; and his decision on said appeal shall be final, and shall be by him certified to the several county superintendents interested, and they shall take action in accordance therewith; and provided further, that each joint district, except in matters relating to the alteration of the boundaries thereof, shall be under the jurisdiction and control of the superintendent of that one of the counties represented in such district which has the largest amount of territory embraced within the boundaries of such joint district. (Laws 1879, ch. 158, sec. 1.)

SEC. 255. *Joint-district Fund.* [7399.] Whenever it shall appear that any school district in this state lies or is in two or more counties it shall be the duty of the treasurer of the county or counties having the smaller amount of territory in said district to transfer to the treasurer of the county having the greater amount of territory of said district, before the 10th day of January, 1st day of July and 20th day of September of each year, all moneys in his hands belonging to said dis-

---

84. *Division of Joint District.* A joint district can not be divided on the county line, thus forming two districts, one in each county. Such action would involve the disorganization of a joint school district, which a county superintendent is not authorized to do, except in special cases provided for by law. There is no appeal in the *formation* or refusal to *form* a joint district.

trict, including all money for the payment of bonds or interest on bonds of said district; and the treasurer receiving said money shall issue therefor and forward to the treasurer so sending the money receipts in triplicate, one of which said treasurer shall file with the county clerk of the county, and the board of county commissioners thereof shall give said treasurer proper credit therefor. One of said receipts shall be sent to the county clerk of the county to which the money was sent, who shall charge the county treasurer with the amount thereof. (Laws 1889, ch. 226, sec. 1.)

SEC. 256. *Annual and Special Meetings.* [Laws 1911, ch. 283, sec. 1.] That an annual school meeting of each school district, of each consolidated school district, of each union or graded school district, and of each school district for which the date of the annual meeting has been fixed by a special act of the legislature, shall be held on the second Friday in April in each year, at two o'clock P. M. Notice of the time and place of said annual meeting shall be given by the clerk by posting written or printed notices in three public places within the district at least ten days before said meeting.<sup>85</sup> Special meetings may be called by the district board or upon a petition signed by ten legal voters of the district, but notice of such special meeting, stating the purpose for which it is called, shall be posted in at least three public places within such district ten days previous to the time of such meeting; provided, that the annual school meeting for union or graded school districts comprising the territory of two or more school districts shall be held at two o'clock P. M. on the Thursday immediately preceding the second Friday in April in each year.

SEC. 257. *Special Meetings.* [7403.] Whenever the time for holding an annual meeting in any district shall pass without said meeting being held, the clerk, or, in his absence, any other member of the district board, within twenty days after the time for holding said annual meeting shall have passed, may give notice of a special meeting, by putting up written notices<sup>86</sup> thereof in three public places within the district, at least five days previous to the time of meeting; but if such meeting shall not be notified within twenty days as aforesaid, the county superintendent may give notice of such meeting in the manner provided for forming new districts; and the officers chosen at such special meeting shall hold their offices until the next annual meeting, and until their successors are elected and qualified. (Laws 1876, ch. 122, art. 3, sec. 7.)

---

85. A failure on the part of the district clerk to post the notices of the time and place of the annual meeting will not invalidate the proceedings of said meeting.

86. Notices of special meetings must be posted as required by law. A failure to so post them will invalidate the action of the meeting.

SEC. 258. *Notice of Meetings.* [7404.] It shall be the duty of the clerk to give at least ten days' notice previous to any annual or special district meeting, by posting up notices thereof at three or more public places in the district, one of which notices shall be affixed to the outer door of the school-house, if there be one in the district, and said clerk shall give the like notice of every adjourned meeting, when such meeting shall have been adjourned for a longer period than one month. Every notice for a special district meeting shall specify the objects for which such meeting is called, and no business shall be acted upon at any special meeting not specified in said notice. (Laws 1876, ch. 122, art. 3, sec. 8.)

The state treasurer shall remit said amount to the county treasurers of the several counties entitled to the same, who shall place the amounts to the credit of the proper districts of their respective counties in accordance with the instruction of the state superintendent and as certified by the county superintendent; provided, that at the same time the several amounts due from the county to said districts shall be placed to the credit of such districts.

SEC. 268. *Amount Apportioned to Each District.* [Laws 1911, ch. 268, sec. 5.] That to determine the amount to be apportioned to each district, the county superintendents shall find the estimated expenditures of the district for the current year and subtract therefrom the estimated income of that district from all sources for the current year. The estimated income for the current year shall be the sum of all moneys belonging to the district on hand in the district and county treasuries, plus the amount which a levy of a four and one-half mills tax upon the assessed value of the district will raise, plus the estimated apportionment of state and county funds, as now provided by law. The estimated expenditures for the current year shall be the amount necessary to provide for a teacher, fuel and incidentals, and to maintain school for seven months; and shall not exceed the sum of \$450 for any one year to schools receiving such state and county aid.

SEC. 269. *County Superintendent to Provide a School, When; Penalty.* [Laws 1911, ch. 268, sec. 6.] That upon the

SEC. 271. *Appropriation.* [Laws 1913, ch. 50, sec. 1.] That for the purpose of carrying out the provisions of chapter 268 of the Session Laws of 1911, providing for state aid to certain school districts, there is hereby appropriated out of any money in the state treasury, not otherwise appropriated, the sum of forty thousand dollars for the fiscal year ending June 30, 1914, and the sum of forty thousand dollars for the fiscal year ending June 30, 1915; provided, that if the amount so appropriated is not sufficient to pay the full sum to which each district is entitled under the provisions of said chapter 268, Session Laws of 1911, it shall be divided *pro rata* among the several districts in proportion to the amount asked for by the county superintendent; provided further, that the one-fourth to be paid by the county shall if insufficient be prorated among the districts entitled to such aid.

SEC. 272. *Auditor to Draw Warrants.* [Laws 1913, ch. 50, sec. 2.] The auditor of state is hereby authorized and directed to draw his warrants upon the treasurer of state for the purpose of carrying out the provisions of chapter 268, Session Laws of 1911, and in accordance with the provisions thereof.

SEC. 273. *School Discontinued; Pupils Sent to Adjacent Districts; Compensation.* [Laws 1911, ch. 268, sec. 9.] That the provisions of this act shall not apply to districts having an enumeration of less than fifteen children of school age, unless said districts embrace an area of twelve square miles or more; provided, that whenever the number of children of school age in any school district having an area of less than twelve square miles shall be found to be less than fifteen by the annual school census no school shall be maintained in such school district during the following year (unless such a district by reason of its

valuation is able to maintain a seven months' school without state or county aid), and the district board of such district shall make provision for sending, for a period of not less than seven months, the pupils of such school district to such school or schools in an adjacent district or districts as said district board may determine; provided, that there is a school in an adjacent district to which said district may send the pupils. As full compensation for the tuition of said pupils the treasurer of the district from which said pupils are sent shall pay, in the manner prescribed by law, to the treasurer of the district or to the board of education of the school to which said pupils are sent an amount not to exceed the average cost per pupil per week for maintaining the school, exclusive of school buildings, school site and permanent improvements; provided further, that the district board of the district in which school is discontinued shall provide for the transportation of the pupils of said district, living two miles or more from the school to which said pupils are sent, to such school or schools in a safe and comfortable and enclosed conveyance or conveyances, properly heated, and the expense of such transportation shall be paid by the school district in which school has been discontinued; provided further, that when any school district within the provisions of this act, having voted an amount of money representing not less than four and one-half mills of the assessed valuation of such district, finds its funds insufficient to pay the tuition and cost of transportation as herein provided, the state shall pay to said district schools three-fourths of the difference between the amount raised by said district from all sources for school purposes and the cost of tuition and transportation of pupils therein, and the county shall pay from the general fund one-fourth of said difference; provided, that not more than seventy-five dollars shall be given to any district whose school has been discontinued according to the provisions of this act; and provided further, that pupils attending school in another school district under the provisions of this act shall have the same legal rights, including the right of admission, and be under the same jurisdiction as the pupils residing in the school district in which the school is conducted; provided, that such admission shall not involve the addition of a school building or school buildings, or the employment of an additional teacher; provided, that any district having an area of less than twelve square miles and a school population of less than fifteen may maintain its school for not less than seven months each year, and such district shall not receive state and county aid in excess of fifty dollars.

SEC. 274. *District May Send Children to Other Schools; Expenses.* [7412.] In any school district, if in the judgment of the district board, the county superintendent concurring, the number of children in said district and the distance of same

from the schoolhouse would not warrant the continuance of the school in said district, it shall then be lawful for the district, at its annual or special meeting called for the purpose hereinafter stated, and called in accordance with the law providing for special meetings in school districts, to make provision for the sending of the children of such district to such other school or schools as may seem in their judgment best, and for such purpose the school board is authorized to issue the warrants of said district in payment of expenses and tuition of such children; provided, such expense and tuition shall not exceed ten dollars per month for each child nor forty-five dollars in any one month for all of said children that may be sent to other schools; and provided further, that such discontinuance of the school in said district shall not bar the district from its share of the state school fund, if said children are continued in the school or schools of other districts the full time required by law for the maintenance of school in the districts. (Laws 1905, ch. 386, sec. 1.)

SEC. 275. *May Send Children to More Convenient School; Privilege of Property Owner.* [7413.] If in any school district there are children for whom it will be more convenient, by reason of distance from the school of the district where they live, to attend school in another district, the annual school meeting may make an order sending such children to the school of some other convenient district,<sup>97</sup> and the school board is hereby authorized to issue the warrants of the district in payment of the extra expense and tuition of such children; provided, that not exceeding four dollars per month shall be paid for each child; provided further, that the children of any property-owner owning land in any adjoining school district, other than in towns and incorporated cities, may have the privilege of attending school in such adjoining district without extra expense and tuition, when such school is more convenient by reason of distance from the school of the district in which they live.<sup>98</sup> (Laws 1907, ch. 321, sec. 2.)

SEC. 276. *Compensation for Conveyance of Pupils.* [7429.] That in any school district where there are pupils living not less than two miles and not more than three miles from the schoolhouse the school board of such district may, and where there are pupils living three miles or more from the schoolhouse such school board shall, allow to the parent or guardian of such pupils a sum not to exceed fifteen cents per day, for not to exceed one hundred days in each year as compensation

97. It is not mandatory on a school district to receive the pupils ordered to be sent to it in accordance with this provision.

98. The supreme court has decided that this provision is constitutional. (See, *Evans v. School District No. 46*, 81 Kan. 385.)

for conveying<sup>99</sup> such pupils to and from the school; provided, that no such compensation be allowed unless the pupil is actually conveyed to and from the school. (Laws 1907, ch. 327, sec. 1.)

SEC. 277. *District Board May Provide Transportation.* [Laws 1911, ch. 273, sec. 1.] That the district board of any school district may provide for the comfortable transportation of pupils of said school district living two and one-half or more miles from the school attended, by the usual traveled road, in a safe and enclosed conveyance or conveyances, properly heated, and said district board is authorized to establish such rules and regulations as may be necessary for carrying out the provisions of this act.

SEC. 278. *Change of Site.*<sup>100</sup> [7409.] That school districts having schoolhouses the value of which is not less than \$400, the schoolhouse site shall not be changed except by a vote of at least two-thirds of the legal voters of such district in favor of such change; and in districts where the value of the schoolhouse is less than \$400, the schoolhouse site shall not be changed except by a vote of a majority of the legal voters of the district in favor of such change. (Laws 1903, ch. 428, sec. 1.)

SEC. 279. *Appraisalment.* [7410.] The value of schoolhouses in districts desiring to change the schoolhouse site shall be determined by three appraisers appointed by the county commissioners. (Laws 1903, ch. 428, sec. 2.)

SEC. 280. *Site Condemned.*<sup>101</sup> [7411.] In case any school district or the board of education of any city of the second class can not by purchase at reasonable rates, or by donation or otherwise, obtain title to the site selected by such school district; or if it be deemed advisable by such school district or by the district board to add other ground to any schoolhouse site already selected; or if, in good faith, but by mistake or otherwise, a schoolhouse has been or shall be erected wholly or partially upon any land or lot to which said school district at the time of the erection of such school building, or any addition thereto, had not acquired title, then, and in any such cases, upon the written application of the district board of such school district, or a majority of the board, it shall be the duty of the probate judge of the county in which such school district is situated to appoint three disinterested freeholders of such county, and not residents of such school district, to

99. The law means "not to exceed fifteen cents per day" for each conveyance, regardless of the number of pupils conveyed. The district board must allow a reasonable amount, and usually fifteen cents is reasonable.

condemn and appraise such site, or addition thereto; and in case such land or lot condemned and appraised shall be an original selection for a schoolhouse site, the amount so condemned and appraised shall not exceed one and one-half acres; and if it be for an addition to an existing site, the additional amount condemned and appraised shall not, with the original site, exceed one and one-half acres. Immediately after their appointment, such appraisers shall proceed, and condemn and appraise the value of the site so selected, or the addition to such existing site. And they shall, within ten days thereafter, make and sign a report describing the land or lot so condemned, the purpose for which it was so condemned, and the appraised value thereof, which report shall be by them filed in the office of the register of deeds of the county in which such land or lot is situated, and by such register duly recorded, as other instruments of writing affecting the title to real estate are recorded. In appraising any schoolhouse site, or addition thereto, to which such school district had not title at the time of erecting any schoolhouse, or addition thereto, thereon, said appraisers shall exclude from their appraisal the value of such schoolhouse, or addition, and appraise such land or lot at its value, exclusive of such building, addition or other improvement placed thereon in good faith, but by mistake of said school district or said school-district board. Within thirty days after the report of said appraisers is filed in the office of the register of deeds, the district board of such school district shall pay to the county treasurer of the county in which such condemned land or lot is situate, for the use of the owner of such lands or lot, the amount of the appraised value thereof, and also fifty cents for said register of deeds for recording said report. And upon such payment being made to such county treasurer by such district board, the title to such site or addition thereto shall vest in such school district. Either party, the owner of the land or lot condemned or the school district, may appeal from such appraisal to the district court, in the same time and manner that appeals are taken from the judgments of justices of the peace in civil actions. (Laws 1885, ch. 174, sec. 1.)

SEC. 281. *Schoolhouse Site Acquired from School Lands.* [7653.] Any school district shall be entitled to purchase and acquire for schoolhouse site not exceeding two acres of any school lands situated in such district, but such tract shall be situated on one of the boundary lines of the section or cross-center lines thereof. The price to be paid for such land by the said school district shall be two dollars an acre, and upon presentation to the county clerk of a petition signed by a majority of the legal voters of the school district, and the payment of the purchase price to the county treasurer, the county clerk shall issue the said school district a certificate of purchase. Upon the presentation of said certificate of purchase

to the auditor of state he shall cause to be issued a patent for said land, but said certificate of purchase and said patent shall recite that upon the failure of said school district to use said land for school purposes the title thereof shall be forfeited and revert to the state of Kansas. (Laws 1909, ch. 218, sec. 8.)

SEC. 282. *Territory Annexed to City.* [7762.] When all the territory of a school district shall become annexed to a city of the first or second class by the extension of the boundaries of the city, all the school property, including moneys on hand and due to said district, together with all records and papers belonging to said district board, shall be transferred to, and the title vested in, the board of education of such city, and said board of education shall assume and be held responsible for the legitimate floating and bonded indebtedness of such annexed district. (Laws 1893, ch. 128, sec. 1.)

SEC. 283. *Duty of County Superintendent.* [7763.] When, by the extension of the limits of any city of the first or second class, a part of the territory of an adjacent district is annexed to such city, it shall be the duty of the county superintendent to determine the present value of all the school property of such district, also all moneys due to or in the hands of the district treasurer, and to equitably apportion the amount due the district board, or board of education, as the case may be. The amount due to the district board or board of education of such city, when ascertained by the county superintendent, shall be levied upon the taxable property of that district or corporation found to be in debt, and shall be collected in the same manner as if the same had been authorized by the vote of the district board or by the board of education of such city, and when collected it shall be paid to the treasurer of that district or board of education to which it is due. The board of education, or the district board retaining the schoolhouse, shall assume the bonded indebtedness incurred in building and furnishing such schoolhouse. All unadjusted claims of city and school districts arising from such annexation previous to the passage of this act shall be adjusted in accordance with provisions of this section. (Laws 1893, ch. 128, sec. 2.)

SEC. 284. *Appeal.* [7764.] If, in the adjustment of school property where a part of a school district has been annexed to a city of the first or second class, any person or persons shall feel aggrieved by the decision rendered by the county superintendent, an appeal may be taken to the board of county commissioners; but a notice of such appeal must be served upon the county superintendent in writing within ten days after the rendition of his decision in adjusting the rights of the school district and the city school district. Such notice shall state fully the objections to the action of the county superintendent, a copy of which shall be filed with the county clerk, and also

with the clerk of the district, or with the secretary of the board of education, as the case may be, affected by such decision. Such appeal shall be heard and decided by a majority of the board of county commissioners at their next regular meeting, and their decision shall be final. (Laws 1893, ch. 128, sec. 3.)

**SECTION 305. Officers; Term.** [7443.] The officers of each school district shall be a director, clerk, and treasurer, who shall constitute the district board,<sup>103</sup> and who shall be elected and hold their respective offices as follows: At the annual meeting in 1874 there shall be elected a director, who shall hold his office for three years; a clerk, who shall hold his office for two years; and a treasurer, who shall hold his office for one year;<sup>104</sup> and thereafter at each annual meeting there shall be elected one member of said board in place of the outgoing member, who shall hold his office for three years, and until his successor shall be elected and qualified.<sup>105</sup> (Laws 1876, ch. 122, art. 4, sec. 1.)

103. The officers of a school district constitute the board of directors in such sense as to be able to transact the school business of the district *only when in session as a district board*. As the law is silent as to how, when and where the district board shall convene, each board should adopt a set of rules for its own government.

104. The treasurer is elected in 1914, the clerk in 1915, and the director in 1916.

105. *Compensation of District Officers.* Neither the district meeting nor the district board has the right to authorize or direct the payment of any compensation from the public fund to members of the board for their services.

See section 257 for the term of officers chosen at special meetings. They hold their offices until their successors are elected and qualified.

SEC. 306. *Official Oath.* [7444.] School-district officers before entering upon their official duties shall take an oath to faithfully perform said duties;<sup>106</sup> and the chairman of any regular or special meeting is hereby authorized and empowered to administer such oath.<sup>107</sup> (Laws 1876, ch. 122, art. 4, sec. 2.)

SEC. 307. *Office Forfeited.* [7445.] Every person duly elected to the office of director, clerk or treasurer of any school district, who shall refuse or neglect, without sufficient cause, to qualify within twenty days after his election or appointment, or who, having entered upon the duties of his office, shall neglect or refuse to perform any duty required of him by the provisions of this act, shall thereby forfeit his right to the office to which he was elected or appointed, and the county superintendent shall thereupon appoint a suitable person in his stead.<sup>108</sup> (Laws 1876, ch. 122, art. 4, sec. 3.)

SEC. 308. *Director.* [7446.] The director of each district shall preside at all district meetings, and shall sign all orders drawn by the clerk, authorized by a district meeting or by the district board, upon the treasurer of the district, for moneys collected or received by him to be disbursed therein. He shall appear, for and in behalf of the district, in all suits brought by or against the district, unless other direction shall be given by the voters of such district, at a district meeting. (Laws 1876, ch. 122, art. 4, sec. 4.)

SEC. 309. *Clerk.* [7447.] The clerk of each district shall record the proceedings of his district in a book provided by the district for that purpose, and enter therein copies of all reports made by him to the county superintendent; and he shall keep and preserve all records, books and papers belonging to his office, and deliver the same to his successor in office. (Laws 1876, ch. 122, art. 4, sec. 5.)

SEC. 310. *Clerk of the Board and District Meetings.* [7448.] The said clerk shall be clerk of the district board and of all

---

106. *Neglect of Duty.* Where a district officer neglects or refuses to perform a duty, the proper proceeding to compel performance is a writ of mandamus.

107. A district officer can qualify before the chairman of a district meeting, the county superintendent, or any one authorized by law to administer oaths.

108. A county superintendent can not remove a district officer. Such removal can be made only by an action brought in court. The vacancy being declared, the county superintendent shall appoint. A member of the district board can not continue to act as a member thereof after he ceases to be a resident of the district, nor has he the right to appoint a deputy to discharge the duties of the office. See section 222 with regard to filling vacancies on the district board.

district meetings, when present;<sup>100</sup> but if such clerk shall not be present at any district meeting, the voters present may appoint a clerk of such meeting, who shall certify the proceedings thereof, and the same shall be recorded by the clerk of the district. (Laws 1876, ch. 122, art. 4, sec. 6.)

SEC. 311. *Clerk Shall Draw Orders.* [7449.] The clerk of the district shall draw orders on the treasurer of the district for moneys in the hands of such treasurer which have been apportioned to or raised by the district, to be applied to the payment of teachers' wages, and apply such money to the payment of the wages of such teachers as shall have been employed by the district board; and said clerk shall draw orders on the said treasurer for moneys in the hands of such treasurer, to be disbursed for any other purpose ordered by a district meeting<sup>110</sup> or by the district board, agreeable to the provisions of this act.<sup>111</sup> (Laws 1876, ch. 122, art. 4, sec. 7.)

SEC. 312. *Clerk's Annual Report.*<sup>112</sup> [7450.] The clerk of each district shall, at least five days previous to the annual meeting in July of each year, make a written report, which he shall submit and read to the legal voters of the district at the annual meeting for their information and consideration. If any change or alteration therein be necessary, the same shall be made, and it shall then be transmitted to the county superintendent of public instruction. Said report shall show: (1) The number of children,<sup>113</sup> male or female, designated separately, residing in the district or part of district on the last day of June previous to the date of such report, over the age of five and under the age of twenty-one years; (2) the number of children attending school during the year, their sex, and branches studied; (3) the length of time a school has been taught in the district by a qualified teacher, the name of the

109. In transacting the school business of the district, the members of the board should meet as a district board, the clerk making a complete record of all proceedings. Members of the school-district board have not the right to enter into contract obligating said board outside of a regular meeting, and such meeting is not legal unless *all* members have been notified of the call for the same.

110. A clerk can legally draw an order upon the treasurer for the disbursement of moneys without a meeting of the district board, if the same has been authorized by a district meeting or by the district board at any prior meeting. Example: Order for teacher's wages.

111. Should the director or other member of the board refuse to sign a legal order, payable to any party legally entitled to receive it, such officer may be compelled, by writ of mandamus, to sign.

112. This section should be amended to be in harmony with section 256, which fixes the date of the annual meeting for the second Friday in April. The school census can not be reported before the annual meeting, since it must show the number of persons of school age on the date of June 30.

113. See sections 187 and 188 of this book.

teacher, the length of time taught by each teacher, and wages paid; (4) the amount of money received from the county treasurer, arising from disbursement of the state annual school fund, the amount received from district taxes, and the amount received from all other sources during the year, and the manner in which the same has been expended; (5) the amount of money raised by the district each year, and the purposes for which it was raised; (6) the kind of books used in the schools, and such other facts and statistics in regard to the district school as the county superintendent may require. (Laws 1889, ch. 220, sec. 2.)

SEC. 313. *County Treasurers.* [7451.] All county treasurers in this state are hereby required to notify clerks of all school districts in their respective counties, by mail or otherwise, ten days prior to the time fixed by law for holding the annual district meeting, of the amount of money drawn from the treasury by the district treasurer of his district since the commencement of the past school year, and shall also state in the same notification the balance remaining on hand, if any, in the county treasury to the credit of the respective districts. (Laws 1889, ch. 220, sec. 3.)

SEC. 314. *Treasurer Pay No Money, When.* [7452.] The county treasurer shall pay no money to the district treasurers of his county after the close of the school year, June 30, until after the annual district meetings of the school districts have been held. (Laws 1889, ch. 220, sec. 4.)

SEC. 315. *Clerk of Joint District.* [7453.] Whenever a school district shall lie partly in two or more counties, the clerk of such district in making his annual report shall carefully designate the number of children resident in the parts of the counties composing the district, and shall report to the county superintendent of public instruction of each of the counties in which such district may be partly situated. (Laws 1876, ch. 122, art. 4, sec. 9.)

SEC. 316. *False Report; Penalty.* [7454.] Every clerk of a district who shall willfully sign a false report to the county superintendent of his county shall be deemed guilty of a misdemeanor, and punished by a fine not exceeding \$100, or by imprisonment not exceeding three months. (Laws 1876, ch. 122, art. 4, sec. 10.)

SEC. 317. *Report to County Clerk.* [7455.] It shall be the duty of the several district clerks in this state to make out a certified list of all persons residing within their respective districts liable to pay taxes, and transmit the same to the county clerks of their respective counties on or before the 25th day of August annually, except in incorporated cities. (Laws 1876, ch. 122, art. 4, sec. 11.)

SEC. 318. *Penalty for Failure to Report.* [7456.] Any dis-

trict clerk who shall fail to report the tax voted by his district to the county clerk, as is provided by law, shall be liable to a fine of not less than fifty dollars; and it is hereby made the duty of the county superintendent to have the provisions of this act enforced. (Laws 1876, ch. 122, art. 4, sec. 12.)

SEC. 319. *Report to County Superintendent.* [7457.] The district clerk shall report to the county superintendent in writing the names and post-office addresses of the district officers elect, within two weeks after the said officers shall have been elected or appointed and qualified. The clerk shall also report to the county superintendent the time of the commencement of each term of school, within two weeks from the commencement of such term. (Laws 1876, ch. 122, art. 4, sec. 13.)

SEC. 320. *Report of Indebtedness.* [9604.] That in addition to the duties now required by law of the following officers, to wit, township clerks and clerks of incorporated cities, school-district clerks and clerks of boards of education, they shall each of them make and transmit to the clerk of their respective counties, on or before the 5th day of July in each year, a complete certified statement of the floating and bonded indebtedness, with date of issuing and maturing of outstanding bonds; amount of sinking-fund, if any, for redeeming the same; and such other information as may be required by the county clerk concerning the financial condition of their respective townships, cities, or districts; and when no outstanding indebtedness exists, such fact shall be reported. (Laws 1877, ch. 90, sec. 1.)

SEC. 321. *Records.* [7464.] Every school-district clerk or treasurer who shall neglect or refuse to deliver to his successor in office all records, books and papers belonging to his office shall be subject to a fine not exceeding fifty dollars. (Laws 1876, ch. 122, art. 4, sec. 20.)

SEC. 322. *Treasurer; Bond.* [7458.] The treasurer shall execute to the district a bond in double the amount, as near as can be ascertained, to come into his hands as treasurer during the year, with sufficient securities, to be approved by the director and clerk, conditioned to the faithful discharge of the duties of said office.<sup>114</sup> Such bond shall be justified by the affidavit of the principal and his sureties; provided, that the director of the district or the county superintendent of public instruction shall be authorized to administer the oaths in the justification of the treasurer and his sureties. And said bond shall be filed with the district clerk, and in case of the breach of any conditions thereof, the director shall cause a

114. It is not proper for either the director or the clerk to become surety for the treasurer. It is not necessary that the treasurer's bondsmen be residents of the district, though they ought to reside in the county. The bond becoming insufficient from any cause, the director and clerk may require the bond to be made good.

suit to be commenced thereon, in the name of the district, and the money collected shall be applied by such director to the use of the district, as the same should have been applied by the treasurer; and if such director shall neglect or refuse to prosecute, then any householder in the district may cause such prosecution to be instituted. (Laws 1879, ch. 156, sec. 1.)

SEC. 323. *Duties of Treasurer.* [7459.] The treasurer of each district shall pay out, on the order of the clerk, signed by the director of the district, all public moneys which shall come into his hands for the use of the district.<sup>115</sup> (Laws 1876, ch. 122, art. 4, sec. 15.)

SEC. 324. *Receive School Moneys.* [7460.] The county treasurer shall pay to each district treasurer in the county all school moneys in the county treasury belonging to the district, upon the order of the director and clerk of the district; provided, that said order shall be accompanied by a certificate from the district clerk, stating that the treasurer of the district has executed and filed his bond as required by law. (Laws 1876, ch. 122, art. 4, sec. 16.)

SEC. 325. *District Taxes.* [7461.] Where a school district tax has been voted, and from the fault or negligence of any officer, or any other cause, has not been levied and collected in any year, the same shall be added to and collected with the taxes of the year following; and the county treasurer shall pay over to the treasurers of the respective school districts all taxes he may have collected for the said districts, on the order of the district clerk, countersigned by the director, subject to the proviso contained in section 52 of this act.<sup>116</sup> (Laws 1876, ch. 122, art. 4, sec. 17.)

and all receipts, vouchers, orders and papers coming into his hands as treasurer of the district, together with all the moneys remaining in his hands as such treasurer. (Laws 1876, ch. 122, art. 4, sec. 18.)

SEC. 327. *Prosecution for Failure.* [7463.] If any district treasurer shall refuse or neglect to pay over any money in his hands belonging to the district, it shall be the duty of his successor in office to prosecute without delay the official bond of such treasurer, for the recovery of such money.<sup>117</sup> (Laws 1876, ch. 122, art. 4, sec. 19.)

SEC. 328. *Powers of Board.* [7465.] The district board shall purchase or lease such a site for a schoolhouse as shall have been designated by the voters at a district meeting, in the corporate name thereof, and shall build, hire or purchase such schoolhouse as the voters of the district in a district meeting shall have agreed upon, out of the funds provided for that purpose, and make sale of any schoolhouse site or other property of the district, and, if necessary, execute a conveyance of the same in the name of their office, when lawfully directed by the voters of such district at any regular or special meeting, and shall carry into effect all lawful orders of the district. (Laws 1876, ch. 122, art. 4, sec. 21.)

SEC. 329. *School Property.* [7466.] The district board shall have the care and keeping of the schoolhouse and other property belonging to the district. They shall have power to make such rules and regulations relating to the district library as they may deem proper, and to appoint some suitable person to act as librarian, and to take charge of the school apparatus belonging to the district. (Laws 1876, ch. 122, art. 4, sec. 22.)

SEC. 330. *Use of Schoolhouse.* [Laws 1913, ch. 284, sec. 1.] That section 7476 of the General Statutes of 1909 is hereby amended so as to read as follows: Sec. 7476. The district board shall have the care and keeping of the schoolhouse and other property belonging to the district. They are hereby authorized<sup>118</sup> to open the schoolhouse for the use of religious, political, literary, scientific, mechanical, or agricultural societies, or societies for the suppression of crime belonging to their district, for the purpose of holding the business or public meetings of said societies, under such regulations as the school board may adopt; but it shall be unlawful for the school board to act arbitrarily or partially in the matter of prescribing regulations for the use of the schoolhouse; and any abuse of their powers by the school-district board may be corrected by

117. See section 321 of this book for penalty for refusing or neglecting to turn over all records to successor.

118. This does not mean that school boards *must* open the schoolhouse for the purposes mentioned, but that they *may*, if they think it best to do so.

the district court through mandamus or injunction on the application of any of the aforementioned societies.<sup>119</sup>

SEC. 331. *Water-closets.* [7747.] That the school boards and boards of education having supervision over any school district in this state shall provide and maintain suitable and convenient water-closets for each of the schools under their charge or supervision. There shall be at least two in number, which shall be entirely separate from each other. It shall be the duty of the officers aforesaid to see that the same are kept in a neat and wholesome condition; and failure to comply with the provisions of this act by the aforesaid officers shall be grounds for their removal from office. (Laws 1891, ch. 197, sec. 1.)

SEC. 332. *Removal of Schoolhouse, etc.* [7475.] That whenever a schoolhouse or other improvements have been made upon the claim of any settler upon any of the public, Indian or railroad lands within this state, to which the said settler had no title, it shall be lawful for the school directors of the proper school district to remove the said schoolhouse or other improvements from the said claim at any time within one year from the time that the settler in any given case may acquire a title to his said claim; provided, that if the said settler, in any given case, shall convey to said board of school directors one acre of the land upon which said schoolhouse or other improvements are situated, the same shall not be removed; and provided further, that if any schoolhouse shall have been built of stone, brick, or frame, costing not less than \$500, the probate judge of the county shall appoint three disinterested persons, who shall appraise and condemn one acre of such land upon which said improvements shall have been located; and it shall be the duty of the school director of such district to pay the owner of such land the value of such land as found by said appraisers. SEC. 333. *Non-resident Pupils.* [7467.] The district board shall have power to admit scholars from adjoining districts. (Laws 1876, ch. 122, art. 4, sec. 23.)

SEC. 334. *Teachers.* [7468.] The district board in each district shall contract with and hire qualified teachers<sup>120</sup> for

119. The law restricts the board to the several societies named in this section. The board can not legally open the schoolhouse for other uses aside from the use of the schoolhouse for all business connected directly with the schools of the district.

120. It is held (1) that a "qualified" teacher is one holding a legal certificate; a contract with any other than a legally qualified teacher is not a legal contract; (2) should the teacher's certificate expire by limit of date during a term of school, said teacher must procure a new certificate or the contract becomes null and void; and (3) a contract to teach made by a district board with a member of said board is contrary to public policy. See note 96 as to the lack of authority of the district meeting to determine who the teacher shall be.

and in the name of the district,<sup>121</sup> which contract shall be in writing, and shall specify the wages per week or month as agreed upon by the parties, and such contract shall be filed in the district clerk's office,<sup>122</sup> and, in conjunction with the county superintendent, may dismiss for incompetency, cruelty, negligence, or immorality.<sup>123</sup> (Laws 1876, ch. 122, art. 4, sec. 24.)

SEC. 335. *Employment of Relatives.* [7524.] Any person being related to a school-district officer as husband or wife, son or daughter, shall not be eligible to the position of teacher in such school district, unless employed by a unanimous vote of all the members of such board. (Laws 1901, ch. 304, sec. 1.)

SEC. 336. *Contracts Void.* [7525.] Any contract made in violation of this act<sup>124</sup> shall be null and void, and any school-district officer so violating shall be liable to the person or persons so employed for all claims such person or persons may have against such district for wages. (Laws 1901, ch. 304, sec. 2.)

SEC. 337. *Records and Reports.* [7484.] It shall be the duty of the teachers of every district school or graded school to keep, in a register for this purpose, a daily record of the attendance and the deportment of each pupil, and of the recitations of each pupil in the several branches pursued in said school, and to make out and file with the district clerk, at the expiration of each term of the school, a full report of the whole number of scholars admitted to school during such term, distinguishing between male and female, the text-books used, the branches taught, and the number of pupils engaged in the study of said branches, and any other information the district board or county superintendent may require.<sup>125</sup> The wages of a teacher for the last month of a school term shall not be paid by any district board, unless said teacher shall

121. *Contract.* It is not legal for a school-district board, previous to the annual meeting, to employ teachers for the new term of school.

122. Teachers are entitled to pay for the time during which school is dismissed due to the prevalence of a contagious disease in the district.

123. *Janitor Work.* In the absence of any law making it the duty of the teacher to assume the responsibility of janitor work necessary for the comfort and good order of the school under her charge, such work being necessary and indispensable, and further, since the provision for the equipment of the school is clearly the duty of the board, the inference certainly must be that the care of the schoolhouse property belongs to the district board, and in no way can it be construed as a part of the teacher's duties, unless the contract entered into by the same shall so provide. Teachers can not collect pay for janitor service unless the contract so provides.

124. See section 335 of this book.

125. See section 187 of this book for additional reports required under the compulsory-education law.

have complied with the requirements of this section. (Laws 1876, ch. 122, art. 6, sec. 1.)

SEC. 338. *Necessary Appendages.* [6469.] The district board shall provide the necessary appendages<sup>126</sup> for the schoolhouse during the time a school is taught therein, and shall keep an accurate account of all expenses thus incurred, and present the same for allowance at any regular district meeting. (Laws 1876, ch. 122, art. 4, sec. 25.)

SEC. 339. *Suspend Pupil; Appeal.* [7470.] The district board may suspend, or authorize the director to suspend,<sup>127</sup> from the privileges of a school, any pupil guilty of immorality or persistent violations of the regulations of the school, which suspension shall not extend beyond the current quarter of the school; provided, that the pupil suspended shall have the right to appeal from the decision of said board of directors to the county superintendent, who shall, upon a full investigation of the charges preferred against said pupil, determine as to his guilt or innocence of the offense charged, whose decision shall be final.<sup>128</sup> (Laws 1876, ch. 122, art. 4, sec. 26.)

SEC. 340. *District Board's School Duties.* [7471.] The district board shall furnish each teacher with a suitable daily register, and shall visit together, or by one or two of their number, all the schools of their district, at least once a term, and at such other periods during the term as in their opinion the exigencies of each school may require; at which visits they shall examine the register of the teacher and see that it is properly kept, and inquire into other matters touching the schoolhouse, facilities for ventilation, furniture, apparatus, library, studies, discipline, modes of teaching, and improve-

126. The term "appendages" should be construed broadly, so as to include necessary improvements, such as well, privy, fence, etc. (30 Kan. 378.)

127. Pupils between the ages of eight and fifteen can be suspended only temporarily, when they are required by the compulsory-attendance law to attend school. (See section 183.) Cases of incorrigibility come within the jurisdiction of the juvenile court when the accused is under the age of sixteen years. (See section 183.)

128. The right of the teacher to punish for misconduct extends from the time the pupil leaves home to go to school until he returns home from school. This, however, does not relieve the parent from control of the child on his way to and from school. The control of school children on their way to and from school should be exercised concurrently by the parents and teacher. In case of grave misconduct, the teacher can suspend a pupil until the board can be notified of such action, except when required by the compulsory-attendance law to attend school. Due diligence must be used by the teacher to serve notice on the board.

ment of the school,<sup>129</sup> shall confer with the teacher in regard to condition and management, and make such suggestions as in their view would promote the interest and efficiency of the school and the progress and good order of the pupils. The date and results of such visits shall be entered by the clerk of the board on their minutes.<sup>130</sup> (Laws 1876, ch. 122, art. 4, sec. 27.)

SEC. 341. *Taxes; Clerk to Certify; Commissioners to Levy; Limit.* [Laws 1911, ch. 271, sec. 1.] That section 7473 of the General Statutes of 1909 is hereby amended so as to read as follows: Sec. 7473. It shall be the duty of the school-district clerk to certify to the county commissioners of their respective counties, on or before the 25th day of July, annually, the aggregate amount by them determined in each district to be necessary for school purposes. Upon the receipt of such certification the county commissioners shall, on or before the first Monday in August, annually, levy on the real and personal property in each district, as returned by the assessment roll of the county, a percentage which will produce an amount equal to and not exceeding by more than five per cent the amount certified by the district clerk; provided, however, no levy shall exceed four and one-half mills. And the county clerk is hereby authorized and required to place the same on the tax roll of said county, in a separate column or columns, designating the purpose for which such taxes were levied; and the said taxes shall be collected by the county treasurer and paid over to the treasurers of the respective school districts in the county, with the same power and restrictions and under the same regulations and in all respects as to the sale of real or personal property. He shall be authorized and he is hereby required to act according to the provisions and requisitions of the law for the collection of taxes for state and county purposes.

SEC. 342. *Judgments.* [7474.] Whenever any final judgment shall be obtained against any school district, the district board shall levy a tax on such taxable property in the district

129. A school board has a right to make a rule requiring constant and prompt attendance at school, such a rule having in view the securing of the very object contemplated in the law establishing public schools. The interests of the pupil and of all the members of the school require promptness and regularity in attendance. Courts have held that such a rule may be enforced. See chapter VI of this book.

130. *Powers of District Board.* The district board has the power to prescribe the necessary rules and regulations for the management and government of the school. They may require a classification of pupils with respect to the branches of study pursued, and with respect to proficiency or degree of advancement in the same, and that there shall be prompt attendance, diligence in study, and proper deportment. The course of study is prescribed by the State Board of Education. (See sections 46 and 286 to 293 of this book.)

for the payment thereof.<sup>131</sup> Such tax shall be collected as other school-district taxes, but no execution shall issue on such judgment against the school district; and in case the district board neglect to levy a tax as aforesaid for the space of thirty days after such judgment shall become final, or in case the proper officer shall neglect to collect the tax levied within the time and in the manner provided by law, then the judgment creditor of the district may have and recover a judgment against the officer or officers so in default for the amount due him on such judgment against the district, with costs, upon which execution shall issue. (Laws 1876, ch. 122, art. 4, sec. 31.)

SEC. 350. *Single District.* [7543.] Any single district shall possess power to establish graded schools subject to the provisions of this article, in like manner as two or more districts united; provided, however, the regular district board of directors of the district shall have the power and shall have the management of the schools of the district and grade them in accordance with the action of the annual district meeting, and employ teachers and do all things pertaining to the union graded schools, without an additional board of directors, where a single district composes the union graded-school district; and provided further, that the director, clerk and treasurer of the regular district board shall possess all the powers to manage the union graded-school district when a single district composes the union graded-school district as the director, clerk and treasurer have in union or graded-school districts composed of two or more districts. (Laws 1886, ch. 147, sec. 1.)

SEC. 368. *Election.* [7766.] When one-third of the electors of a county, as shown by the returns of the last preceding election, shall petition the board of county commissioners requesting that a county high school be established in their county, at a place in the said petition named, or whenever the said county commissioners shall at their discretion think proper, they shall give twenty days' notice previous to the next general election, or previous to a special election called for that purpose, that they will submit the question to the electors of said county whether such high school shall be established, and at the place specified, at which election the electors of the county shall vote by ballot for or against establishing such high school. The notice contemplated in this section shall be given as are all legal notices of a general or of a special election. (Laws 1886, ch. 147, sec. 2.)

Each two years thereafter there shall be elected three trustees, but no more than one of whom shall be a resident of the same commissioner district, to serve a term of four years, to succeed those whose term is about to expire. In those counties in which county high schools have already been established, the present high-school trustees shall serve until after the election in 1904, at which time six county-high-school trustees shall be elected, but no more than two of whom shall reside in the same commissioner district, and all of the above provisions shall thereafter apply to said counties. Said treasurer shall give such additional bond as the county commissioners shall deem sufficient. A majority of said board shall constitute a quorum for the transaction of all business, but four votes shall be required to decide any question. (Laws 1886, ch. 147, sec. 5.)

SECTION 440. *Probate Judge; Jurisdiction; Authority; Fees.* [5099.] That there be and hereby is created and established in each county of the state a court, to be known as the "juvenile court," whose jurisdiction shall pertain to the care of dependent, neglected and delinquent children. The probate judge of each county shall be the judge of the juvenile court in his county, and he shall be furnished by the board of county commissioners, at the expense of the county, with such dockets, records, and blanks, upon his requisition, as may be necessary in the conduct of the business of the court. Said court shall have jurisdiction of all cases concerning dependent, neglected and delinquent children in their respective counties, shall be open at all times for the transaction of business, and may make such disposition of cases as is hereinafter provided. They shall have authority to issue subpoenas for witnesses, and compel their attendance by attachment as for contempt, and to issue all other process that may be necessary in any case, the same as justices of the peace are authorized to do in misdemeanors. All writs and process shall be served by the probation officer of the court, or, in his absence, by some person especially deputized for that purpose by the court. The judge of the juvenile court shall receive as compensation for his services the same fees as are allowed the probate judge for like services, and said fees shall be in addition to all fees or salary received by him as judge of the probate court; said fees are to be allowed by the county commissioners and paid out of the county treasury. (Laws 1905, ch. 190, sec. 1.)

**SEC. 441. *Over Whom the Juvenile Court Has Jurisdiction.*** [5100.] This act shall apply only to children under the age of sixteen years, not now or hereinafter inmates of any state institution or any industrial school for boys or industrial school for girls or some institution incorporated under the laws of this state; provided, that when jurisdiction has been acquired under the provision hereof over the person of a child, such jurisdiction may continue for the purposes of this act until the child has attained its majority. For the purpose of this act, the words "dependent child" and "neglected child" shall mean any child who for any reason is destitute or homeless or abandoned, or dependent upon the public for support, or has not proper parental care or guardianship, and has idle and immoral habits, or who habitually begs or receives alms, or who is found living in any house of ill fame or with any vicious or disreputable persons; or whose home, by reason of neglect, cruelty or depravity on the part of its parents, guardian or other person in whose care it may be, is an unfit place for such a child; or any child under the age of ten years who is found begging, peddling, or selling any article, or singing or playing any musical instrument upon the street, or who accompanies or is used in aid of any person so doing. The words "delinquent child" shall include any child under the age of sixteen years who violates any law of this state or any city, town or village ordinance; or who is incorrigible; or who knowingly associates with thieves, vicious or immoral persons; or who is growing up in idleness or crime; or who knowingly patronizes any pool-rooms or place where gambling devices are operated. The word "child" or "children" may mean one or more children, and the word "parent" or "parents" may be held to mean one or both parents, when consistent with the intent of this act. The word "association" shall include any corporation which includes in its purpose the care or discipline of children coming within the meaning of this act. (Laws 1905, ch. 190, sec. 2.)

**SEC. 442. *Probation Officer; Appointed; Duties; Truant Officer.*** [5101.] The juvenile court having jurisdiction under this act shall appoint or designate one or more discreet persons of good character to serve as probation officers during the pleasure of the court; said probation officer shall receive as compensation, from the public treasury, a sum to be fixed by the court, said sum not to exceed two dollars per day for services actually performed; provided, that, in cities having a population of 15,000 or over, the compensation shall not be more than three dollars per day. Whenever there is to be a child brought before any court having a probation officer, it shall be the duty of the judge of the court, if practicable, to notify the probation officer in advance when any child is to be brought before the court. It shall be the duty

of said probation officer to make such investigation as may be required by the court; to be present in court in order to represent the interest of the child when the case is heard; to furnish to the court such information and assistance as the judge may require, and to take such charge of any child before and after trial as may be directed by the court; and the court shall have power to make and enforce rules specifying the duties of the probation officer in any and all cases. The judge of said juvenile court may, at his discretion, designate as probation officer the regular truant officer of the county, who shall perform the duties of this office in addition to the duties of the truant officer, as provided by law, and he shall receive no further remuneration than is provided by laws already existing. Any probation officer may, without warrant or other process, at any time until the final disposition of the case of any child over whom said juvenile court shall have acquired jurisdiction, take the child placed in his care by said court and bring the child before the court, or the court may issue a warrant for the arrest of any child, and the court may thereupon proceed to sentence or make such other disposition of the case as he may deem best. (Laws 1905, ch. 190, sec. 3.)

SEC. 443. *Who May Make the Complaint.* [5102.] Any reputable person, being a resident in the county, having knowledge of a child in his county who appears to be either dependent, neglected or delinquent within the meaning of this act, may file with the court having jurisdiction in the matter a petition, in writing, setting forth the facts, verified by affidavit. It shall be sufficient that the affidavit be upon information and belief. If it shall be determined by the court that there is no ground for complaint, no permanent record shall be made by the court. (Laws 1905, ch. 190, sec. 4.)

SEC. 444. *Summoning Custodian of Child.* [5103.] Upon the filing of the petition, unless the parties shall voluntarily appear or be in court, a summons shall issue in the name of the state of Kansas, requiring the child and the person having custody and control of the child, or with whom the child may be, to appear with the child at the place and at the time set in the summons, which shall not be later than twenty-four hours after service, unless otherwise directed by the court. The parents of the child, if living, and their residence known, or its legal guardian, if one there be, or if there is neither parent nor guardian, or if his or her residence is unknown, then some relative, if there be one, and his or her residence is known, shall be notified of the proceedings; and in any case the judge may appoint some suitable person or association to act in behalf of the child. If the person summoned, as herein provided, shall fail without reasonable cause to appear and abide the order of the court, or to bring the child, such person may be proceeded against as in case of contempt of court. In

case the summons can not be served, or the party served shall fail to obey the same, or in case when it shall be made to appear to the court that such summons will be ineffectual, a warrant may issue on order of the court, either against the parent or guardian, or the person having custody of the child, or against the child itself. On the return of the summons or other process, or as soon thereafter as may be, the court shall proceed to hear and dispose of the case in a summary manner and enter final judgment therein; and the costs of all proceedings under this act may, in the discretion of the court, be adjudged against the person or persons so summoned, appearing, or arrested, as the case may [be], and collected as provided by law in civil cases. (Laws 1905, ch. 190, sec. 5.)

SEC. 445. *Custody of the Child; Continuance of the Hearing.* [5104.] In any case the court may continue the case from time to time, and may in the meantime commit the child to the care and control of the probation officer, or may allow such child to remain in its own home, or in the custody of some suitable person, subject to the supervision and control of the probation officer and to such other conditions as may be imposed by the court; or the court may authorize the child to be placed in a suitable family home, subject to the friendly supervision of the probation officer and the further order of the court. Pending a hearing, no child shall be committed to a jail or police station, except, in case of felony, the judge, if he deems it advisable, may commit such child to jail until the trial and final disposition of the case; but when other provision shall not have been made for its care and custody, the court shall direct it to be kept in some suitable place provided by the county outside of a jail or police station. (Laws 1905, ch. 190, sec. 6.)

SEC. 446. *Care of Dependent or Neglected Child.* [5105.] When any child under the age of sixteen years shall be found to be dependent or neglected, within the meaning of this act, the court may make an order committing the child to the care of some suitable institution, or the care of some reputable citizen of good moral character, or to the care of some training school or an industrial school, as provided by law, or to the care of some association willing to receive it, embracing in its object the purpose of caring for or obtaining homes for neglected or dependent children. The court may, when the health or condition of the child shall require it, cause the child to be placed in a public hospital or institution for treatment or special care, or in a private hospital or institution which will receive it for like purpose without charge. (Laws 1905, ch. 190, sec. 7.)

SEC. 447. *The Child as the Ward of an Association or Individual.* [5106.] In any case where the court shall award a child to the care of any association or individual, in accordance with the provisions of this act, the child shall, unless otherwise ordered, become a ward, and be subject to the guardianship of

the association or individual to whose care it is committed. Such association or individual shall have authority to place such child in a family home, with or without indenture, and may be made party to any proceedings for the legal adoption of the child, and may by its or his attorney or agent appear in any court where such proceedings are pending and assent to such adoption; and such assent shall be sufficient to authorize the court to enter proper order or decree of adoption. Such guardianship shall not include the guardianship of any estate of the child. (Laws 1905, ch. 190, sec. 8.)

SEC. 448. *The Child Committed to the Care of a Probation Officer.* [5107.] In case of a delinquent child, the court may continue the hearing from time to time, and may in the meantime commit the child to the care and control of a probation officer duly appointed by the court, and may allow such child to remain in its own home, subject to the visitation and control of the probation officer; such child to report to the court as often as may be required, and shall be subject to be returned to the court for further proceedings whenever such action shall appear to the court to be necessary; or the court may authorize the child to be placed in a suitable family home, subject to the friendly supervision of the probation officer and the further order of the court; or it may authorize the child to be boarded out in some suitable family home, in case provision is made by voluntary contribution or otherwise for payment of the board of such child until suitable provision may be made for the child in a home without such payment; or the court may commit the child to a suitable institution for the care of delinquent children; provided, that no child under the age of sixteen years shall be committed to the State Reformatory, and in no case shall a child be committed beyond his or her minority. A child committed to such institution shall be subject to the control of the board of managers thereof, and the board shall have power to parole such child on such conditions as it may prescribe; and the court shall, on the recommendation of the board, have power to discharge such child from custody whenever, in the judgment of the court, his or her reformation is complete; or the court may commit the child to the care and custody of some association that will receive it, embracing in its objects the care of neglected and dependent children, if such institution be duly credited as hereinafter provided, or to the care and custody of some discreet person. (Laws 1905, ch. 190, sec. 9.)

SEC. 449. *The Court May Revoke the Custody.* [5108.] In any case where a dependent, neglected or delinquent child has been committed to the care and custody of any association or individual, the court may cause the child to be brought before it, together with the person in whose custody he may be, and if it shall appear that a continuance of such custody is not for the best interests of such child, the court may revoke and set

aside the order giving such custody, and make such further orders in the premises as to the future disposition of the child as shall seem best. (Laws 1905, ch. 190, sec. 10.)

SEC. 450. *Child Under Sixteen Not to be Taken Before Courts Other than Juvenile Courts.* [5109.] When a child under the age of sixteen years is arrested, with or without a warrant, such child shall, instead of being taken before a justice of the peace or police magistrate or judge or any other court now or hereafter having jurisdiction of the offense charged, be taken before such juvenile court; or if the child shall have been taken before a justice of the peace or police magistrate or judge of such court, it shall be the duty of such justice of the peace or police magistrate or judge of such court to transfer the case to such juvenile court, and of the officer having the child in charge to take such child before said court; and in any such case the said court may proceed to hear the defense of the case in the same manner as if the child had been brought before the court upon the petition as herein provided. In any case the court shall require notice to be given and investigation to be made as in the several cases under this act provided for, and may adjourn the hearing from time to time for the purpose. (Laws 1905, ch. 190, sec. 11.)

SEC. 451. *Appeals to District Court.* [5110.] An appeal shall be allowed to the district court by any child from the final order of commitment made by the juvenile court, and may be demanded on the part of the child by its parent, guardian, or custodian, or by any relation of such child within the third degree of kinship. Such appeal shall be taken within ten days after the making of the order complained of by written notice of appeal filed with the judge of the juvenile court; whereupon it shall be the duty of the judge of said court, without unnecessary delay, to transmit all papers, together with a transcript of his records of the case, to the clerk of the district court of his county, by whom the case shall be docketed in the order of its reception. Such appeal shall not suspend or vacate the order appealed from, but the same shall continue in force in all respects the same as if no appeal had been taken until final judgment has been rendered in the district court; provided, however, that the judge of the district court may, pending a hearing on appeal, make such modifications of the order of the juvenile court and upon such conditions as to him may seem proper. Upon the final hearing on appeal the case shall be heard and disposed of in the spirit of this act and in the exercise of all the powers and discretion herein given to the juvenile court. In all cases of felony the judge of the juvenile court may remand the person apprehended to the district court or county court for trial. (Laws 1905, ch. 190, sec. 12.)

SEC. 452. *Assistance of City and County Attorneys, and*

*Other Officials.* [5111.] It shall be the duty of all county attorneys within their respective counties, and city attorneys within their respective cities, to give to the probation officers such aid in the performance of their duties as may be consistent with the duties of the office of such attorneys. It shall be the duties of the police officers and constables making arrests of children under sixteen years of age in the counties herein mentioned to at once give information of that fact to the probation officer or to the judge of the juvenile court herein provided, and also to furnish such probation officer or judge with all the facts in his possession pertaining to said child, its parents, guardian, or other person likely to be interested in such child, and also the nature of the charge upon which such charge has been made. Any probation officer may, without warrant or other process, at any time until final disposition of the case of any child over whom said juvenile court shall have acquired jurisdiction, take any child placed in his care by said court and bring such child before the court, or the court may issue a warrant for the arrest of any such child; and the court may thereupon proceed to sentence or make other disposition of the case. (Laws 1905, ch. 190, sec. 13.)

SEC. 453. *Discretion of Juvenile Court as to Penalties of State Laws and City Ordinances.* [5112.] All punishments and penalties imposed by law upon persons for the commission of offenses against the laws of the state, or imposed by city ordinances for the violation of such ordinances, in the case of delinquent children under the age of sixteen years, shall rest in the discretion of the judge of the juvenile court, and execution of any sentence may be suspended or remitted by said court. (Laws 1905, ch. 190, sec. 14.)

SEC. 454. *Care and Custody of Child to be Parental.* [5113.] This act shall be liberally construed, to the end that its purposes may be carried out, to wit, that the care, custody and discipline of a child shall approximate, as nearly as may be, proper parental care; and in all cases where the same can be properly done, that a child may be placed in an approved family home, by legal adoption or otherwise. And in no case shall any proceedings, order or judgment of the juvenile court, in cases coming within the purview of this act, be deemed or held to import a criminal act on the part of any child; but all proceedings, orders and judgments shall be deemed to have been taken and done in the exercise of the parental power of the state. (Laws 1905, ch. 190, sec. 15.)

SEC. 455. *Parents Responsible for Delinquency of Children; Penalty.* [5114.] In all cases where any child shall be a delinquent, dependent or neglected child, as defined by the statutes of this state, the parent or parents or other persons responsible for or by any act causing, encouraging or contributing to such

The juvenile courts shall have jurisdiction of all cases coming within the provisions of this act. (Laws 1907, ch. 177, sec. 1.)

SEC. 456. *Suspension of Sentence; Release; Bond.* [5115.] The court may suspend any sentence hereunder or release any person sentenced under this act from custody upon condition that such person shall furnish a good and sufficient bond or undertaking to the people of the state of Kansas in such penal sum, not exceeding two thousand dollars, as the court shall determine, conditioned for the payment of such amount as the court may order, not exceeding twenty-five dollars per month for each child, for the support, care and maintenance of such child while under the guardianship, or in the custody of any individual or any public, private or state home, institution, association or orphanage to which the child may have been committed or entrusted under the provisions of the laws of this state concerning dependent and neglected children. (Laws 1907, ch. 177, sec. 2.)

SEC. 457. *Custody of Child During Suspension of Sentence.* [5116.] The court may also suspend any sentence imposed under this act, and may permit any dependent child to remain in the custody of any such person found guilty upon conditions to be prescribed or imposed by the court as seem most calculated to remove the cause of such dependence or neglect, and while such conditions are accepted and complied with by any such person such sentence may remain suspended and such person shall be considered on probation in said court; in case a bond is given as provided herein, the conditions prescribed by the court may be made a part of the terms and conditions of such bond. (Laws 1907, ch. 177, sec. 3.)

SEC. 458. *Forfeiture of Bond and Term of Probation.* [5117.] Upon the failure of any such person to comply with the terms and conditions of such bond or of the conditions imposed by the court, such bond or the term of probation may be declared forfeited and terminated by the court, and the original sentence executed as though it had never been suspended, and the term of any jail sentence imposed in any such case shall commence from the date of the incarceration of any such person after the forfeiture of such bond or term of probation. There shall be deducted from any such period of incarceration any part of such sentence which may have already been served. (Laws 1907, ch. 177, sec. 4.)

SEC. 459. *Judgment in Case of Forfeiture of Bond.* [5118.] It shall not be necessary to bring a separate suit to recover the

Any moneys collected or paid upon any such execution or in any case upon said bond shall be turned over to the county treasurer of the county in which such bond is given, to be applied to the care and maintenance of the child or children for whose dependency such conviction was had, in such manner and upon such terms as the juvenile court may direct; provided, that it shall not be necessary in the opinion of the court to use such fund or any part thereof for the support and maintenance of such child, the same shall be paid into the county treasury and become a part of the funds of such county. (Laws 1907, ch. 177, sec. 5.)

Until a building is erected for the purpose of a detention home, or until a juvenile farm with suitable and convenient buildings has been provided, the commissioners may lease or rent a suitable and convenient building or a part thereof, for a term not to exceed five years for any one period, which shall be used as a detention home. The children shall be placed in the public schools where possible, or, if it be so determined, the commissioners may provide for separate instruction within the home. The detention home is to supplement the work of the juvenile court and to be used in lieu of any jail or prison, but it shall be the policy of the judge of the juvenile court, probation officer and the matron or superintendent of the detention home to make the said house of detention a temporary home, and as soon as possible to provide for the return of the inmates of the home to their natural parents or to parents by adoption. The salary of the matron or superintendent shall be fixed by the county commissioners, and warrants drawn for the payment of said salary and all other bills regularly allowed by the said commissioners on account of said expenses for the maintenance of said detention home or juvenile farm. SEC. 476. *Increasing the Levy.* [9420.] If any board of levy, or any officer that is charged with the duty of levying tax in any taxing district, shall be of the opinion that the amount of tax limited by this act will be insufficient for the needs of such taxing district for the current year, the question of an increased levy may be submitted to the voters of such taxing district at a general election or at a special election called for the purpose in the manner provided by law for calling special elections in such taxing district; provided, that under the provisions of this section a vote may be had upon the question of an increased levy at the annual meeting of any school district. If any such question of increasing the levy shall be submitted at any election or meeting as above set forth, due notice thereof shall be given for at least thirty days in advance of such election or meeting by publication in the official county paper for all taxing districts, except school districts; but in school districts by posting a notice in the manner provided by law for other elections or meetings; said notice shall also give the proposed increase in the levy.
